

Announcement from the Institutional Human Ethics Committee

All the supervisors planning to conduct studies involving human subjects are requested to kindly note that for **ALL** studies involving human participants / human data, ethical clearance is a **MUST**. We request you to submit the proposals for ethical clearance **on or before 8th December 2017 (by 4.30 pm)**. The committee is expected to meet in January 2017.

The format for application and all the necessary enclosures are put up in our website. Kindly submit **THREE hard copies and ONE soft copy on CD**. The soft copy should not be mailed. Please refer to the documents in the website for clarifications.

Thank you!
