About the University

Avinasilingam Institute for Home Science and Higher Education for Women, established by the great patriot and philanthropist Dr. Avinashilingam Ayya Avargal in the year 1957, aims to provide education at par with global standards for Women candidates. The University persistently seeks and adopts innovative ideas of teaching on consistent basis. Currently, it is under the dynamic leadership of Padmashri Dr. P.R. Krishnakumar, Chancellor and Dr. Premavathy Vijayan, Vice Chancellor. Its constant drive in imparting Higher Education through excellent infrastructure, Faculty credentials and higher academic standards, has acquired this institution Grade 'A' in NAAC. The University has signed MoUs with various reputed Industries and Institution in India and Abroad for the benefit of the student community. Presently about 50 research projects in different disciplines, funded by various Government Funding Agencies are in progress. The Institute has collaborative research activities with Korean University, Ohio State University and University of Latvia.

Faculty of Education

The College of Education was established in 1968 with BT course. Vertical expansion was effected by introducing M.Ed. Degree course in 1973, M.Phil (Edn) in 1986 & Ph.D. (Edn) in 1989. The year 1988 saw the College of Education coming into the fold of the newly born Avinasilingam Deemed University in the name of Faculty of Education. The Faculty comprises of Department of Education, Department of Special Education and Department of Physical Education engaging in multifarious activities for the development of students so as to enable them reach excellence in all walks of their life in future.

Faculty of Engineering

The Faculty of Engineering was started in the year 1996 with the approval of AICTE. The campus is well developed with excellent infrastructure for classrooms, laboratory, internet facility and Wi-Fi connectivity.

About the Seminar

Avinashilingam University has been a beacon of light in empowering women through education. The alumni of this University have spread across the globe far and wide as leaders industrialists, academicians and social entrepreneurs. This seminar aims at bringing the academic leaders in diverse fields face to face with the young students to inspire and motivate them to have exposure for learning without borders. It broaden their minds and deepen their understanding so that the whole world becomes one humanity practicing brotherhood of human beings and proving our ancient saying **Vasudeva Kudumbakam.**
