Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore -641 043

Institution

Avinashilingam Institute for Home Science and Higher Education for Women, established by the great patriot and philanthropist Dr. T.S. Avinashilingam AyyaAvargal in the year 1957, aims to provide education at par with global standards for women candidates. The University persistently seeks and adopts innovative ideas of teaching on a consistent basis. Currently, it is under the dynamic leadership of Padma Shri. Dr. P. R. Krishna Kumar, Chancellor and Dr. PremavathyVijayan, Vice Chancellor of this esteemed University. Its constant drive in imparting higher education through excellent infrastructure, faculty credentials and higher academic standards, has acquired this institution Grade 'A' in NAAC. The University has signed MoUs with various reputed industries and institutions in India and abroad for the benefit of the student community. Presently, about 50 research projects in different disciplines, funded by various Government funding agencies are in progress. The institute has collaborative research activities with Korean Universities, Ohio State University and University of Latvia.

Faculty of Engineering

The Faculty of Engineering was started in the year 1996 with the approval of AICTE. The campus is spread over an area of 100 acres and is situated 6 km off Mettupalayam Road near Thudiyalur. The campus is well developed with excellent infrastructure for classrooms, laboratories, library, hostel, on-campus medical & banking facilities, transportation, telecom, stationary, cafeteria, 4 hours internet facility and Wi-Fi connectivity.

Department of Printing

Our University established the Department of Printing Technology in the year 1996 and is one of the very few Universities in India offering a B.E degree in Printing Technology. Printing Technology is one of the lesser known, but distinct branches in Engineering and Technology. The Department has been recording 100% placement all these years. There is a huge need for Printing Engineers in the Print sector and our students are well placed every year.

Department of Music

The Department of Music was started in 1958 with the intention of instilling a sense of spirituality in students. All the staff in the department are doctorates and proficient in teaching theoretical and practical aspects of music. The department has been highly commended by Board of Studies experts for its quality of teaching and innovative methods of experimentation in music

About the conference

Music is a science for a scientist and it is a unique art form for an aspirant of music. The deliberations are aimed to focus about the factors which have made music and vedas a medium of knowledge transferred down generations. The department of Printing Technology in collaboration with the music department of the University organizes this conferenceto throw light on both the modern and ancient Indian scientific aspects of music.

Resource Persons

Sections will be handled by experts from leading research and academic institutions.

Topics to be included

The main theme of the conference is Music and Science which includes

- Harmonic principles
- Tone, Timbre, Spectrum analysis in music
- Music and physics
- Music as a Communication Medium
- Printing in music
- Astronomy in vedic chants
- Astrology through sastras
- Medicine (Ayurveda) and music
- Nature and music

Eligibility to apply

Faculty Members from academic or music background, students in relevant specializations, and persons working in these areas and interested public citizens of India, can attend the conference.

University, Engineering and Arts colleges faculty members and students, research scholars, and rasikas are eligible to attend and present papers.
