

Objectives

1. To deliberate about the life and contribution of Sri Subramania Bharathiyar to Carnatic Classical Music.
2. To throw light on the contributions and life of Sri Subramania Bharathiyar in upholding patriotism through music.
3. To analyze the musical intricacies and lyrical beauty of Sri Subramania Bharathiyar's compositions.

Institution

Avinashilingam Institute for Home Science and Higher Education for Women, established by the great patriot and philanthropist Dr. T.S. Avinashilingam Ayya Avargal in the year 1957, aims to provide education at par with global standards for women candidates. The University persistently seeks and adopts innovative ideas of teaching on a consistent basis. Currently, it is under the dynamic leadership of Padma Shri. Dr. P. R. Krishna Kumar, Chancellor and Dr. Premavathy Vijayan, Vice Chancellor of this esteemed University. Its constant drive in imparting higher education through excellent infrastructure, faculty credentials and higher academic standards, has acquired this institution Grade 'A' in NAAC. The University has signed MoUs with various reputed industries and institutions in India and abroad for the benefit of the student community. Presently, about 50 research projects in different disciplines, funded by various Government funding agencies are in progress. The institute has collaborative research activities with Korean Universities, Ohio State University and University of Latvia.

Faculty of Engineering

The Faculty of Engineering was started in the year 1996 with the approval of AICTE. The campus is spread over an area of 100 acres and is situated 6 kms off Mettupalayam Road at Thudiyalur. The campus is well developed with excellent infrastructure for classrooms, laboratories, library, hostel, on-campus medical & banking facilities, transportation, telecom, stationery, cafeteria, 24 hours internet facility and Wi-Fi connectivity.

Department of Electronics and Communication Engineering

The Department of Electronics and Communication Engineering is one of the most versatile and fast developing Branches of Engineering, established in the year 2000. The Department offers Master of Engineering in VLSI Design. The goal of this programme is to equip students with wide practical knowledge in the field of VLSI design and testing. Also, the Department of ECE offers Ph.D programme in Electronics and Communication Engineering.

Department of Tamil

The department of Tamil had its inception in June 1958 with Part I Tamil offered to the undergraduates. Tamil as a major at Undergraduate level was started in 1968. In 1978 Tamil was offered as one of the triple major subjects. With the introduction of double major pattern, Tamil had been offered as the first major with Economics and Music. Tamil was offered with English when M.A. Development Languages and Literature was introduced at the Post Graduate level in 1990. From 2007 onwards, Tamil is offered as a single major both at the undergraduate and post graduate levels. M.Phil. Programme in Tamil was started in 1995 and Ph.D. Programme in 2003. The curriculum of both under Graduate and Post Graduate courses are updated based on the current trends in the subject, scope, needs and the job opportunities of the students.

About the Conference

The concept of patriotism conveyed through music is the key area of focus in this conference. Sri Subramania Bharathiyar's compositions will be analysed from both musical and lyrical point of view. The conference is aimed to bring out the key factors of Sri Bharathiyar's compositions which are value based and contains the message of universal harmony and peace.

Conference Themes

- Introduction to Sri Bharathiyar's contributions
- Sri Bharathiyar's Compositions as a source to uphold patriotism through music; factors that motivated Bharathiyar to spread patriotism through his mighty pen and mellifluous Tamil
- Musicians who popularized Sri Bharathiyar's compositions during pre-independence
- Sri Bharathiyar's compositions featured in movies
