

Objectives

- To analyze the interdisciplinary nature of Music with regard to technology.
- To encourage the present generation of music students and scholars to analyze the possibilities and limitations in technological interventions in music.
- To bring together the music aspirants and technical enthusiasts in order to make both studies in music as well as technology to enable positive dialogue between both the subjects.

Institution

Avinashilingam Institute for Home Science and Higher Education for Women, established by the great patriot and philanthropist Dr. T.S. Avinashilingam Ayya Avargal in the year 1957, aims to provide education at par with global standards for women candidates. The University persistently seeks and adopts innovative ideas of teaching on a consistent basis. Currently, it is under the dynamic leadership of Padma Shri. Dr. P. R. Krishna Kumar, Chancellor and Dr. Premavathy Vijayan, Vice Chancellor of this esteemed University. Its constant drive in imparting higher education through excellent infrastructure, faculty credentials and higher academic standards, has acquired this institution Grade 'A' in NAAC. The University has signed MoUs with various reputed industries and institutions in India and abroad for the benefit of the student community. Presently, about 50 research projects in different disciplines, funded by various Government funding agencies are in progress. The institute has collaborative research activities with Korean Universities, Ohio State University and University of Latvia.

Faculty of Engineering

The Faculty of Engineering was started in the year 1996 with the approval of AICTE. The campus is spread over an area of 100 acres and is situated 6 kms off Mettupalayam Road at Thudiyalur. The campus is well developed with excellent infrastructure for classrooms, laboratories, library, hostel, on-campus medical & banking facilities, transportation, telecom, stationery, cafeteria, 24 hours internet facility and Wi-Fi connectivity.

Department of Computer Science and Engineering

The Department of Computer Science and Engineering established in 1996 offers B.E. (Computer Science and Engineering), M.E. (Computer Science and Engineering) and Ph.D programme in Computer Science and Engineering. The Department has highly qualified and committed faculty members. MOOC courses are offered through NPTEL and Bodhi Tree programmes in collaboration with IITs' to enhance the skill sets of the students.

Department of Music

The Department of Music was started in 1958 with the intention of instilling a sense of spirituality in students. All the staffs in the department are doctorates and proficient in teaching theoretical and practical aspects of music. The department has been highly commended by Board of Studies experts for its quality of teaching and innovative methods of experimentation in music.

About the Conference

Technology has its influence on various fields for which music is not an exception. The influence of technology has brought many changes which has made the teaching-learning, performing-preserving aspects of music to look into new dimensions which is the topic of interest for many enthusiasts of both music and from the realm of technology. The key focus of this conference is to bring out the multi dimensional study of music and the impact of technology on music which includes teaching-learning, performing-preserving of music for generations to come.

Conference Themes

- Traces of early technological intervention to music
- Technological intervention in teaching and learning process of music
- Influence of technology on both live musical performance and recordings
- The present state of technological applications in musical performance –possibilities and limitations
- Music and Technology, the expectations and anticipations in the future.
