## About the Conference

Carnatic classical music has two main channels which help in preserving this art form. They are Compositions and Improvisation. They play the key roles in reserving and strengthening the elements of classical music respectively. Considering this aspects the University is hosting the series of music conferences about various composers, contributions and few technical aspects of music. Sri Papanasam Sivan was one such great composer who contributed to the field of music. Sangeetha Kalanidhi Sri Papanasam Sivan has composed many compositions which are presented in concerts often. The department of Civil Engineering in collaboration with the Music department of the University organizes this conference to highlight his life and contribution.
