“Your dream will not die, your plans will not fail, your destiny will not be aborted, the desire of your heart will be granted only if you believe in yourself.”

- Dr. T.S. Avinashilingam

Sri Avinashilingam Home Science College for Women was established by the great patriot and educationist Dr. T.S. Avinashilingam under the auspices of the Avinashilingam Education Trust in 1957 with 45 students. The growth of the Institution has been carefully nurtured to its current heights by the world renowned educationist and nutritionist, former Chancellor of the Deemed-to-be-University Dr. Rajammal P. Devadas. It is now the

largest Institution in the country for imparting Home Science Education at all levels. It was one of the eight colleges on which autonomy was conferred by the University of Madras in June 1978 and the first of the women’s colleges to get this distinction. Autonomy gave the college scope for academic freedom for innovations in teaching and research.

The Government of India declared Sri Avinashilingam Home Science College

for Women and Sri Avinashilingam Teachers College for Women as a Deemed-to-be-University under Section 3 of the UGC Act in June 1988. These Colleges have been renamed as Avinashilingam Institute for Home Science and Higher Education for Women and is marching towards the thirty first year as a Deemed-to-be-University. Dr. P.R. Krishnakumar assumed the Chancellorship on 23.11.2015.

The Institution follows the educational ideals of Sri Ramakrishna, Holy Mother Sri Saradhamani Devi, Swami Vivekananda and Mahatma Gandhi and upholds a life of purity, discipline and service. A temple dedicated to Sri Ramakrishna commands the campus. Daily prayer is an integral part of campus life. All the students and staff are expected to participate in the common prayers.

The Institute functions under seven schools, namely, Home Science, Physical Sciences & Computational Sciences, Biosciences, Arts & Social Sciences,

Commerce & Management, Education and Engineering. Each school functions under the headship of a Dean.

The pattern of education has been fully semesterised. The academic year is divided into two semesters, each semester having a minimum of 90 teaching days. The semester pattern offers each student individual attention of the teacher and facilitates the students' all-round development. It calls for active participation of the students in the learning process.

Regular attendance is an important feature of the semester pattern. In all programmes, a student requires a minimum of 75 per cent attendance for both theory and practicals to appear for the Comprehensive Semester Examinations. Examinations for the courses offered in a semester are conducted in the same semester to make learning more effective and to reduce burden on the students.

Objectives of the Institute

- Provide opportunities for the all –round development of the students and excellence in higher education, research and extension in different disciplines – Home Science, Physical Sciences & Computational Sciences, Biosciences, Arts & Social Sciences, Commerce & Management, Education and Engineering upto the level of Ph.D.
- Inculcate ethical values, social and moral standards in all the disciplines of study
- Generate awareness among women about their rights and status through adult and non-formal education
- Serve as a centre for national integration to bring together women from all parts of the country and develop an All-India perspective
- Disseminate the findings of research to the society in order to facilitate development through the community and social service programme

Life is what you make it. Make the best of every good opportunity that comes your way.

General Information

Library

“Libraries are reservoirs of strength, grace and wit, reminders of order, calm and continuity, lakes of mental energy, neither warm nor cold, light nor dark. The pleasure they give is steady, unorgastic, reliable, deep and long-lasting”

– *Germaine Greer*

The Institution comprises of three different libraries. Central Library located in the main campus, School of Education Library and School of Engineering Library located in campus II. The Central Library is situated at the heart of the campus, incorporating the modern technologies so as to provide the readers with the right information at the right time. It is well planned and is very spacious having centralized air-conditioned reading hall with a total area of 19,765 Sq. Ft. with 450 seating capacity. It is one of the important core facilities of the Institute, currently has 2,47,543 volumes, including Books, Periodicals and Non-book

materials. It provides access to more than 20,684 e-journals through subscription and e-ShodhSindhu. It has procured 2470 e-books and seven e-databases like SCOPUS, EBSCO & DELNET in different subject areas. The Library subscribes to about 350 current International and National Journals, Gratis, Magazines and Newspapers.

The library has been completely automated, well networked with wi-fi connectivity. The introduction of LMS - Koha software and Ezproxy software help the faculty members, scholars and students to have local and remote access to the library resources on 24 / 7 basis and provides access anytime and anywhere by adopting virtual learning environment. A separate ETD (Electronic Thesis Digitalization) Lab is setup under ShodhGanga project for digitalization and access of thesis. Self-service kiosk has been introduced so that members can issue and return books by themselves. The library is well secured using Radio Frequency Identification (RFID), CCTV and fire extinguisher facility.

Auditorium

The Institute has three auditoriums with modern facilities. Thiruchitrabalam Auditorium and Swami Vivekananda Auditorium in Campus-I can accommodate 2000 and 500 members respectively. Apart from these, Campus I also has an open-stage Auditorium and a huge multi-purpose hall. The Ammai Appan Auditorium in Campus-II has a seating capacity of 3000 members.

Hostels

There are six hostels, 'Kalaimagal Illam', 'Thirumagal Illam', 'Malaimagal Illam', 'Malarmagal Illam', 'Arpana Illam' and 'Poomagal Illam' with modern amenities and conveniences. There is a separate building to house the Post Graduate students and staff. Catering in the hostel is vegetarian. The mess is run on the dividing system. Campus II has separate hostel facilities.

Staff quarters

The institution provides staff quarters for teaching and non-teaching staff of both campuses.

Advanced Research Lab and Dr. C.N.R. Rao Research Laboratory

Two state-of-the art Research Laboratories - Advanced Research Laboratory and Dr. C.N.R. Rao Research Laboratory - have been established with the funding of DST under "Consolidation of University Research for Innovation and Excellence in Women Universities" (CURIE). Both the laboratories house a wide array of highly sophisticated equipments like Field Emission Scanning Electron Microscope (FESEM), X-ray Diffractometer (XRD), Flow Cytometer, High Pressure Liquid Chromatography (HPLC), High Performance Thin Layer Chromatography

(HPTLC), Nano Spray Dryer, 2D-gel Electrophoresis, Freeze Dryer, Atomic Absorption Spectrophotometer (AAS), 3D - Optical Profilometer, Fourier Transform Infrared Spectrophotometer (FT-IR), Body Composition Analyzer, Thermo Gravimetric Analyser (TGA), Texture Analyzer, Plasma Chamber, Spectrophotometer with Color Lab, UV - Visible Spectrophotometers, Well Plate Reader and High Accuracy balances.

These laboratories have been set up with a sum of several crores of rupees. They are helping the research scholars and staff members of this institution to carry out advanced research activities in several disciplines spanning Home Science, Physical and Chemical Sciences, Biosciences and Health Sciences, as well as Engineering disciplines. The facilities available in both these high-technology laboratories are also extended to the research scholars and staff members of other educational and research institutions, at a nominal cost, as an outsourcing activity.

National Service Scheme (NSS), National Cadet Corps (NCC) and Sports

NSS, NCC and Sports are curricular components for the undergraduate students, with academic credit for theory, practicals, special camp in the work areas and special activities. Attendance in Regular / Special activities / Camp is a requirement to appear for the theory examination in NSS, NCC and Sports.

Community and Social Service (CSS)

CSS is a curricular requirement for PG, B.Ed. and M.Ed. students. They are expected to give two hours per week. The students will write a theory paper on CSS at the end of the second Semester. Attendance in CSS Programme is a requirement to appear for the theory examination.

Games

Games class is compulsory for all first year Undergraduate students. Weekly one hour games class and attendance for the same is mandatory. Games class focus on student's health and fitness, creating awareness among the students to keep them fit and develop a competitive spirit to meet daily task and motivate them to participate in various professional sports. Approximately 300 students are coming in day order basis for one hour every day. The physical fitness profile of the students is assessed regularly which helps them to maintain their fitness.

National Service Scheme - Empanelled Training Institution (NSS-ETI)

The Empanelled Training Institution (earlier known as NSS-TOC) funded by Ministry of Youth Affairs and Sports, Govt. of India, New Delhi, is conducting Orientation Courses for the NSS Programme Officers of Universities, Higher Secondary Schools (HSS), Directorate of Technical Education (DoTE), Secondary Teacher Education Research and Training (STERT) and Industrial Training Institutes (ITIs) of Southern Sixteen Districts of Tamil Nadu since 1976.

Co-curricular Activities

Students council, Association of various departments and Planning Forum are active in arranging Co-curricular activities in the Institute.

Bank

A branch of the Indian Bank operates on Campus for the convenience of the students and staff.

A 24x7 ATM is available inside the campus for exclusive access by the students and staff members of the institute.

Extension counter of Indian Bank is working on alternative working days in Campus - II.

Alumni

The Alumni Association comprises of students who have passed out from the Institute. Alumni are stationed in various parts of the country and abroad. Many hold high posts as Principals, Deans, Professors and Training Officers and Researchers in government agencies and industry. The alumnae meet once a year to discuss the action programmes for the year. They participate effectively in the major events of the Institute.

Internet Access

An exclusive high speed internet centre is located in the campus to meet the growing network access demands. Both campuses also are WiFi enabled and have Broadband connectivity of the National Knowledge Network (NKN).

Identity Card

A photographic identity card incorporating the students' roll number are issued to the students. The students should carry this card at all times and they may be required to produce the card for:

- Admission to functions
- Admission to examinations
- Access to library
- Travel and other concessions
- Receipt of original certificates after the completion of the course

The students should safely preserve the identity cards for future requirements like receiving original degree certificates,

mark sheets, duplicate mark sheets, transcripts, appearing for supplementary examinations, etc.

The students roll number printed on the card must be quoted in all correspondence with the Institute.

Career Guidance & Placement Cell

Career Guidance & Placement Cell acts as an interface that links campus to corporate. To enhance the employment opportunities for the job-seeking candidates, it facilitates opportunities for skill development with continuous training, orientation, workshops and seminars, motivational talk by eminent speakers, insights from industry expertise etc. To tap the entrepreneurial ideas, students are encouraged to present business proposals and are guided and facilitated to make their ideas a reality. Adequate learning resources are available to scale up the skills. The ultimate aim is to reach out to the unreachable, to benefit and contribute equally to the growth of any organization the students are associated with, and be a person of value to the society.

Entrepreneurship Development Cell

Entrepreneurship Development Cell sponsored by AICTE, New Delhi promotes entrepreneurship and encourages the students to take up Entrepreneurship as an alternative career option. Entrepreneurship Awareness Camps sponsored by Entrepreneurship Development Institute of India (EDI, India), Gujarat are conducted to create awareness among students on Entrepreneurship and provide opportunities to meet successful entrepreneurs in different fields.

National Cyber Defence Research Centre

National Cyber Defence Research Centre of the Institute actively conducts several awareness programmes, workshops, seminars and allocates research projects pertaining to the cyber security area for the benefit of student community who face huge threats in the form of cyber attacks and information thefts.

eCampus

e-governance in the Institute, automates the day to day administrative processes and streamlines the flow of information which ensures smooth functioning of the Institute. Its user friendly approach helps in greater operational control and better co-ordination of activities. It has easy maintainability, reliable technology support, continuous process improvements and unlimited scalability with high performance and enhanced communication. The solution is beneficial to the Management, Students, Faculty and the Parents.
