**Recommendations**

**Objectives of IP Policy**

The following objectives were formulated for the IPR policy of the institution

- Promote scientific research and technological development
- Encourage researchers to consider the possible opportunities for exploiting an invention so as to increase the potential flow of benefits to society
- Provide an environment that supports and encourages innovation and development
- Protect the legitimate rights of faculty and scholars/students with regard to their intellectual and creative/novel outcomes
- Ensure compliance with applicable national laws and regulations
- To lay down a transparent administration system for the ownership and control of intellectual properties and sharing of revenues

### **Planning events on IPR**

One workshop or seminar on IPR to be organized during each academic year
