**Agenda**

1. Planning IPR events for the year 2016-17
2. Review of the events organized in previous year
3. Review on the patent applications made by faculty

## **Recommendations**

### **1. Planning events on IPR for the year 2016-17**

One workshop or seminar be organized during the academic year

Faculty to be deputed to attend national event on IPR

One resource lecture on IPR to be organized for resource scholars during the Research Convention on Post Research Methods

### **2. Review of the events organized in previous year**

Members also reviewed the IPR events organized in the previous year and appreciated the contributions of the organizing members.

Resource Talk on 'Intellectual Property Rights and Patenting' on 04.08.2015

Resource Talk on 'Intellectual Property Rights and Patenting' on 18.02.2016

It was felt that workshop on IPR and framing patent application can be organized in the next year.

### **3. Review on the patent applications made by faculty**

The status of the patent applications made by faculty members was reviewed. The members suggested that the faculty who have applied for IPR should update the status of their patent applications to the IPR cell regularly
