Dear Sir/Madam,

Background and Introduction

Cyber Peace Foundation ([www.cyberpeace.org](http://www.cyberpeace.org)) in collaboration with National Council for Education Research & Training (NCERT- <http://www.ncert.nic.in>) and National Commission for Protection of Child Rights (NCPCR- <https://ncpcr.gov.in>) have launched **e-Raksha Competition 2020** for students, faculty and caregivers (parents or guardians).

In times of Covid-19 pandemic, virtual classrooms have become the new norm and digital media has become an invaluable tool for the children and youth to continue their learning.

The Internet has become one of the prime sources of information, collaboration and social interaction across the globe. It is, therefore, the urgent need of the hour to educate the young minds to use the potential of the Internet for their learning and growth and become smart and safe.

The objective of the scheme:

- To provide a creative and important outlet to children and young people who are currently confined at home due to Covid-19 pandemic, to reflect and share about being safe and responsible on the Internet.
- To inculcate Digital Citizenship and Online Safety especially when students are spending much of their time in the digital Space for learning and social activities.

The details of the competition are enclosed as annexure A.

AICTE requests to your Institute to encourage & motivate students, faculty, and caregivers to participate in the programme. Last date of submission is 30th September 2020:
