## ABOUT THE INSTITUTE

Sri Avinashilingam Home Science College for Women was established under the auspices of the Avinashilingam Education Trust in 1957 by Dr.T.S.Avinashilingam the great Patriot and educationist, the first Minister of Education in the Composite State of Madras (1946 – 1949) and a Padma Bhushan Awardee. World renowned Doyen of Nutrition and the first Vice Chancellor, Padmashree Dr. Rajammal P. Devadas, nurtured and raised the institution to its present status as a University, with her ardent and unstinted efforts. The University is scaling global heights under the stewardship of Dr.T.S.K.Meenakshisundaram, Managing Trustee, Prof. S.P.Thyagarajan, Chancellor and Dr. Premavathy Vijayan, Vice Chancellor. The tremendous growth as an autonomous college was visible on 10 years from 1978 in various spheres of academics, community development and skill development of women, the society and in national and international research and consultancy. These fast-paced contributions aided the UGC and MHRD in recognizing the institution as a Deemed to be University in 1988. Thus, the institution has been in the limelight both at national and international levels since then. The University has diversified and well qualified faculty. Around 8500 students benefit from the Undergraduate, Postgraduate and Research level programmes offered by Schools of Home Science, Science, Humanities, Business Administration, Education, Community Education and Entrepreneurship Development and Engineering.

## ABOUT THE DEPARTMENT OF HOME SCIENCE EXTENSION EDUCATION

Home Science Extension Education is one of the vital branches under the Faculty of Home Science. It gives a clarion call to all the Home Scientists to apply their knowledge and wisdom for the cause of rural and urban communities, downtrodden families and people with special needs.

The dissemination of valuable knowledge of Home Science to the community is the focal thrust of the subject.

The unique feature of the Department is its interdisciplinary nature. As a branch of specialization of the Faculty of Home Science, the Department keeps in constant touch with the courses and developments in the other departments.

### Vision of the Department

Striving for sustainable development of rural and urban communities through academic enrichment and empowerment of the youth

### Mission

The course content prepares the women students to hone their competencies towards self development, career prospects and leadership development for better family living.

## ABOUT NATIONAL SERVICE SCHEME

The NSS scheme was launched in Gandhiji's Centenary year in 1969. It was inaugurated on 3rd February 1970 with two NSS units of 100 volunteers each in the Sri Avinashilingam Home Science College. Over the years, the NSS had been strengthened and at present there are 30 units with 3020 volunteers. The overall aim of National Service Scheme as envisaged earlier is to give an extension dimension to the higher education system and orient the student youth to community service while they are studying in educational institutions.

## ABOUT THE CONFERENCE

This conference explores how Extension and NSS activities foster social responsibilities and enable the collaborative action research process to attain positive change. NSS and Extension programmes are the powerful facets in shaping processes through educational programs that create awareness, sensitize and empower the rural mass.

## CONFERENCE OBJECTIVES

The role of NSS and Extension Education is to serve the community. The seminar is primarily focused on the following objectives

1. To examine the dynamics of community building through Extension and NSS
2. To trace the level of development initiatives by Extension and NSS
3. To redefine the contribution of youth/NSS Volunteers in Community Development

## THEMES

1. Empowerment of Rural Community through NSS and Extension
2. Young Development - NSS and Extension
3. Rural Development - NSS and Extension
4. Solution for Challenges of the Nation through NSS

## SUB THEMES

The papers on the below sub themes through NSS and extension may be submitted for presentation and publication

1. Rural Development
2. Environmental Development
3. Rural Sanitation
4. Rural Health and Hygiene
5. Technology for Rural Development
6. Community Organizations in Rural Development
7. Women Empowerment
8. Entrepreneurship Development
9. CSR in Rural Development
