3. REGISTRATION FOR THE Ph.D. PROGRAMME

There shall be the following categories registered for the Ph.D. Programme:

- i) Full-time Research Scholar (with or without stipend or fellowship)
- ii) Part-time Research Scholar

The candidates belonging to any of the above categories may register in the Institute Departments coming under these regulations.

A person whose M.Phil. dissertation has been evaluated and the viva voce is pending may be admitted to the Ph.D. programme of the same Institution.

3.1. Full-time

Research scholars within this category are those who pursue their full time doctoral research under the guidance of a research Supervisor in Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore.

3.2. Part-time

Research scholars within this category are those who are presently employed either on regular or temporary basis with a minimum of 2 years of continuous service/experience in Institutes/ University/College, who may pursue their doctoral research under the guidance of a research Supervisor of Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore.

Part Time Ph.D. Admission for candidates from Industries

The candidates from industries should satisfy the following criteria:

1. The industry where the candidate is employed should be a registered firm in existence at least for five years

2. The industry should have a minimum of 15 employers
3. The candidate should have a continuous service of atleast two years
4. The candidate should produce a no objection certificate from the employer
5. The candidate should be permitted to put in 30 days attendance per year during the programme period
6. Every six months the candidates should produce a certificate from the employer about their service status.

(Minutes of 38th Academic Council Meeting held on 8.6.2018)

4. DURATION OF RESEARCH

The duration of research for the two categories of Research Scholars and two types of degree holders will be as given in the table below:

Categories	Master's degree		M.Phil degree	
	Minimum	Maximum	Minimum	Maximum
Full time	3 Years	5 Years	2 Years	4 Years
Part time	4 Years	6 Years	3 Years	5 Years

The candidates shall pay a penalty of ₹ 1000, ₹ 1500, ₹ 2000 and ₹ 2500 respectively for every six months upto a period of two years to get extension of time for submission of thesis after the duration period.

5. CONVERSION OF FULL TIME REGISTRATION INTO PART TIME AND VICE VERSA

The Institute may permit conversion from full-time research to part-time research and vice versa in respect of candidate

registered, for valid reasons and subject to satisfying the registration, rules and conditions in force. The period put in by the candidate will be worked in the ratio of 2:3 for research put in before and after such conversion.

For these scholars, the minimum and maximum period of research will be decided based on the period already completed in full time / part time, as the case may be.

The candidate has to submit the No Objection Certificate from the employer (in case of conversion of full time to part time).

6.1. Application for Provisional Registration

A candidate applying for provisional registration shall furnish all the information in the form prescribed together with the prescribed fee.

Every applicant who satisfies all the conditions and procedures prescribed by the Institute, shall be provisionally registered for the Ph.D. programme.

Registration for the Ph.D. programme must be done by the candidate within **TWO MONTHS** after getting the permission from the Institute. A delay by **SIX MONTHS** for registration can be accepted with a penal fee of ₹ **3000/-** and reasons for the delay must be submitted. Also the delay in registration can also be accepted upto **ONE YEAR** with a penal fee of ₹ **5000/-** and the reasons for the late registration must be submitted. Exactly after one year from the date of permission, if the candidate fails to apply for provisional registration she should not be allowed to pursue the research.

6.2. Interdisciplinary Research

For interdisciplinary research the proposal should be submitted in the prescribed format (**Appendix A**) duly approved by the Doctoral Committee along with the minutes and forwarded by the Supervisor and Head of the Department concerned.

7. SELECTION PROCEDURE

The candidates desirous of registering for Ph.D. programme shall apply in the prescribed application form downloaded from the Institute website as well as from the Registrar's office in the Institute, fill in all the necessary details and submit through proper channel wherever applicable, before the due date as indicated in the notification issued from time to time.

7.1 Admission

The Ph.D. admission for **full-time and part-time scholars** will be conducted twice in an academic year **during July and January**. Availability of application forms and last date for submission of application form will be displayed in the Institute website.

Incomplete application in any respect shall be summarily rejected without any intimation to the candidate.

The applications of the eligible candidates shall be processed by committees constituted by the Vice Chancellor for the purpose of selection. Admission is subject not only upon academic record but also taking into account on the availability of Supervisors in the particular discipline.

The selection shall be based on both written test and interview. The written test consists of three parts with a total of 75 marks. **Part A** - 25 Multiple Choice Questions (25 x 1), **Part B** - 5 Short Answer Questions (5 x 5) and **Part C** - Research Proposal

(1 x 25 - Scope 5, Problem Definition 5, Research Design 15). An interview will be conducted for 25 marks (Publications 5 marks, PG / M.Phil. performance 10 marks, Interview performance 10 marks).

The candidates qualified in UGC/CSIR/NET/SLET/FIP or candidate working with sponsored research project shall be given priority. However, they have to attend the interview.

8. SUPERVISOR FOR RESEARCH

Every scholar registered for the Ph.D. programme shall work under the continuous supervision of a recognized supervisor. For inter-lingual/inter-disciplinary research, a scholar shall have a co-guide.

A supervisor shall not guide her immediate or close relative and to this effect she shall furnish a declaration in the column provided in the application form for admission. **A Supervisor shall not be permitted to register candidates for Ph.D. in the last two years of her service.** Recognized co-guide shall be approved for NRI candidate by the University to monitor the progress of the research work.

12.5.3. Re-registration

If a candidate has not submitted the thesis within the stipulated period,

- (i) the candidate may re-register under the same Supervisor in the same topic
 - The candidate has to submit a requisition letter in the prescribed format through the Supervisor for re-registration with evidence for
 - a. Percentage of work yet to be completed
 - b. Date of submission of the thesis
 - The maximum period for re-registration is 2 years from the date mentioned in the application or approved by the Controller of Examination, whichever is the earliest.
 - On approval, the candidate has to pay an annual fee of ₹ 10,000/-
- (ii) For re-registered candidates with change of Supervisor and/or area of research the required period would be similar to that of freshly registered candidates.

12.5.4. Re-admission

If the candidate does not submit the thesis within the stipulated period (period of study + extension + re-registration) and if the research scholar is willing to continue, she can be re-admitted. The re-admitted candidate will be treated as a newly admitted candidate while she may be exempted from Part I Examination for Paper I and Paper II. She may be exempted from Paper - III (thesis paper) Examination, if her proposed thesis work is in the same specialization.

12.6. Adjudication of the Ph.D. thesis

12.6.1. Panel of Examiners

After the submission of synopsis, the Supervisor is advised to submit the panel of Examiners for the candidate in a sealed cover to the Controller of Examinations in the prescribed format. In case, the Supervisor fails to provide the list of Examiners even after TWO monthly reminders, then the concerned Head of the Department may be requested to provide the list of Examiners. If the Supervisor happens to be the Head of the Department, the panel of examiners shall be obtained from the Chairman of the Board of Research Studies in consultation with the specialist in that field.

12.6.2. Board of Examiners

Vice-Chancellor may appoint Board of Examiners for evaluation of the thesis consisting of the Supervisor as Convener and two other External Examiners i.e. one from India and one from out side India (Foreign Examiner) from the panel suggested by the Supervisor. The new examiners may also be identified without consulting the Supervisors.

However, thesis can be sent for evaluation to the second Indian Examiner provided if all the six Foreign Examiners in the panel failed to send the comments on the thesis within a reasonable time schedule.

No close or immediate relative of the candidate/supervisor be appointed to act as an examiner.

12.6.3. Evaluation of thesis

- The thesis shall be referred to two examiners (one from India and another from abroad) nominated by the Vice Chancellor from the panel of examiners. The

Vice Chancellor, if deems it necessary, may also nominate the examiners from outside the panel.

- Controller of Examinations shall take appropriate steps to receive the reports from the examiners as quickly as possible. The examiners shall send their willingness to evaluate the thesis within one month from the date of receipt of the synopsis. Two reminders of two weeks span can be sent. Beyond that alternate examiner will be appointed.
- The examiners shall send their evaluation report in the prescribed format within two months from the date of receipt of the thesis.

The examiner shall include in their report an overall assessment placing the thesis in any one of the following categories : (Appendix - F)

- Recommend the acceptance of the thesis in the present form and further based on the standard attained, classify the work as **COMMENDED or NOT COMMENDED**.
- Recommend the acceptance of the thesis. However, the scholar shall incorporate the corrections indicated in the detailed report and place the corrected copy to the Oral Examination Board but the corrected thesis need not be sent to the examiner.
- Defer the recommendation at this stage and the scholar shall incorporate the suggested modifications in the thesis and the corrected thesis along with the scholar's clarifications shall be sent to the respective examiner.
- Reject the thesis for the reasons set out in the detailed report.

- The examiner shall also enclose a detailed report in about 200 to 300 words, indicating the standard attained, the nature of revision and specific reasons.
- If both the examiners recommend for the award of the degree, thesis shall be provisionally accepted. Any minor revision, modification, etc., suggested by the examiners shall be carried out before the Oral Examination Board.
- If any examiner recommends revision in the thesis, the scholar shall be permitted only once to revise and resubmit the thesis within six months, and the revised thesis shall be referred to the same examiner only in the situation such as
 - i. When the examiner recommends new experiments and major modification involving new methodology.
 - ii. The examiner insists in sending the thesis back to the same examiner after revision for offering her/his final recommendation on the thesis which shall be only either for recommendation for the award or for rejection.
 - If one examiner recommends the award of the degree while the other recommends rejection, then the thesis shall be referred to the third examiner to be nominated by the Vice Chancellor. If two of the three examiners recommend the award, the thesis shall be provisionally accepted. If two of the examiners recommend rejection, the thesis shall be rejected and the registration of the scholar shall stand cancelled.
 - In case, the examiner does not insist to send the thesis back to her/him the thesis shall be referred to the Doctoral Committee to ascertain the corrections carried out in the thesis as suggested by the examiners.

- Individual cases not covered by the above clauses shall be referred to the Vice Chancellor. If deemed fit, the Vice Chancellor shall refer to the Research Advisory Committee which in turn shall refer to the Board of Management, for necessary action.

12.6.4. Resubmission of the thesis

A candidate whose thesis has not been commended for the award of the degree may be permitted to re-submit it on a second occasion within a period of ONE YEAR from the date of declaration of the results with a specific statement from the candidate and the Supervisor about the additional research work conducted and the revision done in the thesis. The resubmitted thesis shall be referred to the same examiner who originally valued the thesis for Re-valuation.

12.7. Public viva voce examination

An oral examination (viva voce) is compulsory for Doctoral degree. Oral examination allows the examiners to,

- Examine the general field of the thesis.
- Clarify any points of ambiguity.
- Satisfy themselves that the thesis is the own work of the candidate.
- Discuss the thesis in detail.
- The Oral examination shall be conducted **within three months** as “Open Defence Type” Examination. The circular for the same shall be communicated to the Director (Research) /faculty members/research scholars/other departments/ other Institutions, atleast one month prior to the viva-voce Examination. A minimum of thirty members excluding Oral Examination Board members shall be present for the viva-voce Examination.

- If the Oral Examination Board reports the performance of the scholar as “not satisfactory” then she may opt to reappear for the Oral Examination at a later date (not later than six months from the date of the first Oral Examination). On the second occasion, the Oral Examination Board shall include one more expert nominated by the Vice Chancellor.
- If the performance of the scholar in the Oral Examination in the second occasion also is reported to be “not satisfactory”, the Vice Chancellor, if deems it necessary, shall refer the remarks of the Oral Examination Board, along with the thesis and comments of the Examiners, to a Committee constituted for this purpose and the decision of the Vice Chancellor shall be final.
- On satisfactory completion of the viva voce Examination, the scholar shall submit the corrected thesis in accordance with the format and specification prescribed, duly certified by the Supervisor and joint Supervisor, if applicable, that all the corrections have been incorporated in the thesis as suggested by the examiners, along with a soft copy of the thesis in CD, for Institute archives.

13. PUBLICATION OF THE THESIS

Papers arising out of the thesis may be published by the scholar and the Supervisor. However the thesis as a whole shall be published by the scholar / Supervisor with specific approval of the Vice Chancellor.

After successful completion of Ph.D. and declaration of the results, the Ph.D. thesis is deposited in the Shodhganga at INFLIBNET Centre, an institutional repository.

14. THE ACT OF PLAGIARISM

In the case of scholars who have committed the act of plagiarism, her thesis/degree shall be forfeited and her research registration shall be cancelled and also she shall be debarred to register for any other programme in the Institute.

The University Grants Commission has notified the Regulations (dated 23rd July 2018) on Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions. The Institute adopts these Regulations from the Academic year 2018-19 to monitor, check, detect and take measures to curb Plagiarism in all research activities including Ph.D. research work.

15. POWER TO MODIFY

Notwithstanding all that has been stated above, the Board of Management has the right to modify any of the above regulation from time to time.

16. TRANSITORY PROVISION

These revised regulations shall come into effect from Jan, 2019.

17. OTHER DETAILS
