Tenders with incomplete information subjective and conditional offers as well as partial offers will be liable for rejection. A tender without EMD is absolute to be rejected.

14. SAVING CLAUSE

- a) In case any doubt arises on interpretation or otherwise of any point in this tender document, the University shall be referred for clarification two days before opening of technical bid. The University reserves the right not to answer any or all queries without assigning reasons.
- b) At any time after the issue of the tender documents and before the opening of the tender, the Tender Inviting Authority may make any changes, modifications or amendments to the tender documents and shall send intimation of such change to all those who have purchased the original tender documents.

15. LIQUIDATED DAMAGE CLAUSE

If the supplier fails to deliver the equipment / materials within the time specified in the contract or any extension thereof, the purchaser shall recover from the supplier as liquidated damages, a sum of **half percent (0.5%)** of the contract price of the undelivered equipments / materials for each completed week of delay. The total liquidated damages shall not exceed **ten percent (10%)** of the total contract price. Only the date of actual receipt of materials at stores will be reckoned as date of delivery for this purpose.

Equipment will be deemed to have been delivered only when all its component parts are also delivered. If certain components are not delivered in time the equipment will be considered as delayed unless the missing parts are delivered. Liquidated damages will also be levied for the quantity not supplied as is done for the delayed supplies. If supplies are effected in part which could not be beneficially used by the Institute (due to such in-complete supply), liquidated damage will be worked out on the basis of entire contract price only and not on the value of delayed portion.

If supplies to be rendered are made by the supplier beyond the period of delivery and they are accepted by the Institute, such acceptance is without prejudice to Institute's right to levy liquidated damages for the delay in supply.

Liquidated damage will also be levied for the quantity not supplied as is done for the delayed supplies. It should be supplier's responsibility to arrange for inspection, despatch etc. in time to keep up the delivery schedule.

If the ordered materials are not delivered, the purchaser shall recover from the supplier, as liquidated damages, sum of **TEN PERCENT (10%)** of the contract price of the equipments / materials in addition to the cost of undelivered equipments or materials, besides forfeiture of Security Deposit.

The suppliers are liable to pay the amount of loss sustained by the Institute in the event of non-execution of orders, if any placed on them, either in full or part to the satisfaction of the Institute under the terms and conditions of the contract and in the event of placing orders for such quantities on some others at a higher price. It may be noted that the Institute will not produce any definite proven commercial loss incurred solely on account of the delayed delivery.

In the event of cancellation of this order or non completion of supply by the suppliers, then the short supplied items may be ordered afresh. The excess price if any between the original and new contract will be recovered from the original supplier from the amount due to the original supplier either from this contract or from any other contract.

16. PAYMENT TERMS

95% payment shall be made on satisfactory supply and installation and remaining 5% will be paid after the completion of warranty period or on submission of equivalent bank guarantee valid till two months after the expiry of warranty period or on retainment of security deposit amount till expiry of warranty period.
