ANNUAL REPORT 2016-2017

Sri Avinashilingam Home Science College for Women was established by the great patriot and educationist Dr. T.S. Avinashilingam under the auspices of the Avinashilingam Education Trust in 1957 with 45 students. The growth of the Institution has been carefully nurtured to its current heights by the world renowned educationist and nutritionist, former Chancellor of the University, Dr. Rajammal P. Devadas. It is now the largest Institution in the country for imparting Home Science Education at all levels. It was one of the eight colleges on which autonomy was conferred by the University of Madras in June 1978 and the first of the women's colleges to get this distinction. Autonomy gave the College scope for academic freedom for innovations in teaching and research.

The Government of India declared Sri Avinashilingam Home Science College for Women and Sri Avinashilingam Teacher's College for Women as a Deemed University under Section 3 of the UGC Act in June 1988. These Colleges have been renamed as Avinashilingam Institute for Home Science and Higher Education for Women., Dr.P.R.Krishnakumar has assumed the Chancellorship from 23.11.2015

The University follows the educational ideals of Sri Ramakrishna, Holy Mother Sri Saradamani Devi, Swami Vivekananda and Mahatma Gandhi and upholds a life of purity, discipline and service. A temple dedicated to Sri Ramakrishna commands the campus. Daily prayer is an integral part of campus life. All the students and staff are expected to participate in the common prayers.

The University functions under seven faculties, namely, Home Science, Science, Humanities, Education, Business Administration, Engineering and Community Education and Entrepreneurship Development. Each faculty functions under the headship of a Dean.

The pattern of education has been fully semesterised. The academic year is divided into two semesters, each semester having minimum of 90 teaching days. The semester pattern offers each student individual attention of the teacher and facilitates the students all-round development. It calls for active participation of the students in the learning process.

Regular attendance is an important feature of the semester pattern. In all programmes, a student should have a minimum of 75 percent attendance for both theory and practicals to appear for the Comprehensive Semester Examinations. Examinations for the courses offered in a Semester are conducted in the same semester to make learning more effective and to reduce the burden on the students.

The integration of NSS, NCC and sports with the curriculum is a unique distinction of Avinashilingam Deemed University. While the scheme has all along been voluntary; educationists have started thinking about the incorporation of those in the curriculum itself to give academic status, credibility and credit. Avinashilingam Institute which has a rich heritage in Community service and outreach activities had the urge and courage to pioneer in this noble venture and introduced NSS, NCC and sports under Extra-Curricular activities in the Undergraduate curriculum.

The major and unique educational innovation in the University brought forth has been incorporated Community and Social Service (CSS) in the curriculum at the Postgraduate level with academic weightage and credibility. The major tasks of CSS are cooperatively determined to promote action achievable by the level of maturity of the group, permitted by the available resources and defined in terms of behaviour changes among students and the members of the community. National Cadet Corps came into existence in the university in the year 1968. Regularly parades are conducted in the campus. In addition the cadets attend various camps and conduct special activities every year.

The University has well equipped library that caters to the research and teaching activities of institutions, a computer centre to provide additional support to the computer related activities of the University, an Instrumentation Maintenance Facility (IMF) which provides essential support of servicing and maintaining laboratory instruments and Electronic items utilized in various laboratories of this university, a health center, Saradalaya Canteen, Hostel for students and Saradalaya Press with modern computerized Offset Printing Press facilities.

Examination System

Continuous Internal Assessment (CIA) was first introduced in Avinashilingam Home Science College in the year 1976 and continued in the autonomous set-up. The CIA component which was 25% originally was raised to 40% and then to 50%. Total Internal Assessment was introduced (100%) for Master's Degree students in the year 1988-89, when the college was conferred the Deemed University status. For the Bachelor's Degree Courses 100 percent Internal Assessment was introduced from 1990-91.

Continuous Internal Assessment (CIA) is the most crucial of the educational evaluation process. Teaching, learning and evaluation constitute a unity of functions in education. CIA is an integral part of this trinity. It has been recognized as the best yardstick to measure the students' performance in different aspects. CIA is the best way of evaluating the strengths and weaknesses in students' academic performance.

It provides the necessary feedback to the teaching-learning process. Since teaching and learning is continuous activities, evaluation should also be concurrent and continuous, based on the objectives of higher education in the University.

For the students, CIA offers many benefits, knowledge, interest in studies, comprehension, analysis, synthesis, application, evaluation, ability to handle tools and instruments, skills in communication, appreciation and creativity. Most of these cannot be measured externally through a two or three hours of written examination paper alone. Only CIA can indicate to the teacher and the student how well the student is learning and her level/depth of understanding. CIA motivates the student to acquire important skills and abilities which are not included in the external examination, which at the most can assess abilities in recall (memory) of facts, use of numerical data and coherence in written examination. CIA helps students not only to get optimum results but also make them regular, meticulous and purposeful in their approach to academic performance. It helps them to retain knowledge, since the assimilation period is spread over the semester. Thus last minute preparation just for the final examination is avoided.

12.LIBRARY

The base for the library, the Knowledge hub of the Avinashilingam Institute for Home Science and Higher Education for Women has been laid down by Dr. T S Avinashilingam, the founding father of the illustrious institution way back in 1957. Under the dynamic leadership and perseverance of the succeeding Chancellors, the Institution Library has knowledge resource centre to promote study and research in the faculties of HomeScience, Science, Humanities, Education, Business Administration, Engineering and Community Education and Entrepreneurship Development.

The very purpose of this library is to integrate the information support system with the educational activities in all possible ways and to leap forward to the expectations of

the academic community of this University and also those who resort to library resources from other academic and R & D institutions.

The Library with 17,500 sq.ft area is a domain for information seekers. It has the capacity to accommodate more than 400 readers at a time. The Library functions throughout the year except a few national holidays. It functions from 09:00 am to 08:00 pm on all working days and from 09:30 am to 01:00 pm during the holidays. The Library provides open access system for all users.

This year the centralized Air-Conditioner is provided in the Library Reading Hall which facilitated the reading comfort and better ambience to the library.

LIBRARY COLLECTIONS

The Library has rich collection of more than 2 lakh volumes comprising Books, Periodicals, Theses, Dissertations, Backvolume of serials and Non-book materials. The Library has a separate Book Bank for SC/ST students. During the financial year 2016-2017, the Library acquired 1565 books. The Library subscribed and made renewal for 161 print periodicals and also receives 40 journals as gratis. The library subscribes to various online resources like e-databases (EBSCO, SCOPUS, DELNET), e-journals (J-Gate management sciences, J-Gate engineering and technology, IEEE, ASTM, ASCE) and e-books (Springer, Wiley, Pearson, Mc-Graw Hill, Elsevier).

READER SERVICES

During the year 2016-17, the library has 5215 registered borrowers and 1,65,530 book transactions were made at circulation desks (issue, return). Annually 4,63,300 book consultations and 3,10,120 periodical consultations were made by the readers. On an average 720 users visited the library per day. The library also extends its service to the needs of the scholars from other universities. This year nearly 35 students and staffs from other institutions visited the library for reference. The ILL (Inter Library Loan) request of the students, research scholars and faculty are being fully met through DELNET and J-gate Plus. The library has received nearly 26 articles and three books under Document Delivery Service.

LIBRARY AUTOMATION:

The library has an excellent computing infrastructure, which includes hardware with networking equipment, software and help-desk facility and it has been completely

automated, well networked with wi-fi connectivity. The library has internet connectivity with one Gbps leased line. The introduction of LMS – Koha software and Ezproxy software help the faculty members, scholars and students to have local and remote access to the library resources on 24/7 basis by adopting virtual learning environment. The information from the library is disseminated to various departments through campus network. The library has uploaded 386 Ph.D theses & 10 synopses online in Shodhganga and Shodhgangotri respectively. The library has access to web based Anti-plagiarism software Urkund under **Shodhganga project** for evaluating research.

DIGITAL LIBRARY:

The library has started the digitalization of materials after the sanction received from INFLIBNET towards the digitalisation of theses under Shodhganga project. The financial assistance of Rs.10.75 lakhs has been sanctioned under this project for setting up of ETD lab and digitalization of M.Phil and Ph.D theses. The library has setup a separate ETD lab and completed digitalization of 851 theses (124 Ph.D and 727 M.Phil) under shodhganga project.

In continuation to digitalisation work, the library has completed the following works:

- The Staff publication from the year 2010-2016 have been digitalised and created an institutional repository for access to intranet
- Nearly 3612 Post Graduate theses from 1958 onwards are digitalised
- Our Founder Dr. T.S Avinashilingam and First Vice-Chancellor Dr. Rajammal P Devadas Avargals' publications are digitalised
- More than 67 books from the home science subject collections are digitalised

ELECTRONIC JOURNAL BROWSING CENTRE

The University library has access to more than **28,059 E-Journals, 2472 E-Books**, and **7 E-Databases** through e-ShodhSindhu (INFLIBNET) and university subscription. A separate browsing centre with more than 50 systems and two high end server is established in the library for accessing these resources.

LIBRARY SERVICES

The library has extended a wide range of services viz;

- Radio Frequency Identification (RFID) based Self Service KIOSK enables automated issue/return of books,
- Trial access (Grammarly, Scifinder, Turnitin) to latest online resources for its evaluation and usage
- E-learning service
- E-Alert Service
- Domain – Specific User Orientation
- Document Delivery Request
- Service on Request
- Multimedia Service
- E-Reference Desk
- Photocopying Service
- Virtual Reference Library

The library provides Special Services to Visually Challenged. The library facilitates learning of students with visual impairment with the provision of software such as : JAWS (Job Access with Speech Software) (Visually Impaired), Kuruzweil Reading Machine Software (Visually Impaired/ Low Vision), Magic Software and specially configured hardware such as Readit Wand and Read Easy Move.

LIBRARY SECURITY

- **RFID (Radio Frequency Identification)** – RFID has added the benefit of improving book security. The three dimensional security gate kept in the library entrance helps to avoid book thefts. Nearly 1,00,000 books are tagged with RFID labels and all new books purchased are tagged immediately. The RFID staff terminal enables the use of multiple book issue/return. The Wanda reader helps for quick inventory of stock and for tracing books. The library has procured self service KIOSK to enhance the circulation activity.
- **Electronic gate register** - Electronic Gate Register provides additional security. Readers' barcoded ID cards are scanned at the entrance and exit points. This enables to get the exact number of readers using the library at a particular time.

- **CCTV Camera** – Sixteen cameras placed in various sections of the library helps for vigilance.
- **Fire Alarm** - The library building is fixed with fire alarm facility in order to minimize the possibility of damage from fire.

ORIENTATION AND E-JOURNAL TRAINING PROGRAMME

The uniqueness of the library is that it has established a separate training zone for the scholars and students to get aware of the online databases and the techniques of searching and capturing the research hits in various bibliographic management software; The training programme is scheduled for the entire academic year and the orientation is given by the technically trained staff members and by the invited experts from the neighboring institutions.

The main thrust of the library continues to be the improvement of the quality of services and facilities by modernizing activities to achieve higher degree of user satisfaction.

Facilities for Research in the Central Library

The Institution has a well-stocked central library with INFLIBNET, DELNET, SCOPUS, EBSCO and reprographic facilities. Augmenting these are :

- Newly introduced technologies
- E-resources
- Shodhganga and Shodhgangotri
- EZproxy with remote access to web-based contents
- Anti-plagiarism software like Urkund for evaluating research articles
- IEEE online
- Virtual resources through UGC-National Knowledge Network

13. National Service Scheme

- The National Service Scheme (NSS) then called National Service (NSC) was initiated at Sri Avinashilingam Home Science College for Women under the able guidance of Dr. Rajammal P. Devadas, the Chancellor of the University who was then the principal of the college. It was formally inaugurated by Thiru. N.D. Sundaravadivelu then Vice Chancellor of the University of Madras on 3rd February 1970 with two NSS units of 100 volunteers each.
- The integration of NSS with the curriculum is a unique distinction of Avinashilingam Deemed University from 1991 onwards.
- While the scheme has all along been voluntary, educationists have started thinking about incorporating it in the curriculum itself to give it an academic status, credibility and credit. Avinashilingam Deemed University which has a rich heritage in community service and outreach activities had the urge and courage to pioneer in this noble venture and introduced NSS as a core subject in the undergraduate curriculum.
- Over the years, NSS had been strengthened and at present there are 26 units with 2600 volunteers
- NSS has become a major student youth programme and it is implementing a number of innovative and community based programmes.
- All student volunteers have to participate in the special camp.

- A unique feature of the university is that student volunteer will not get her degree unless she has attended the Special Camp, and has got Service Certificate.
- NSS in our university is under extracurricular course and has been given 2 credits.

Gandhi Jayanti (October 2, 2016)

Swachh Bharat

On *October 2nd*, Gandhi Jayanti was celebrated to mark the birth anniversary of Mahatma Gandhi in

our University. One among his vision is to see India as a developed clean Nation. Towards achieving this goal, Prime Minister Narendra Modi launched the *Swachh Bharat Abhiyan*, a mission to clean India's cities and villages. The campaign, inaugurated to coincide with Gandhi Jayanti, aims to realise its vision of 'Clean India' by October 2, 2019, the 150th birth anniversary of Mahatma Gandhi. As part of NSS activity, the volunteers of Unit pledged to keep their surrounding clean and contribute 100 hours in a year for cleaning activities.

Vigilance Awareness

The UGC and Ministry of Sports and Youth Affairs took the initiative to observe vigilance awareness week in order to spread awareness among the public about anti-corruption. The Central Vigilance Commission, as part of its efforts to promote probity in public life and to achieve a corruption free society, observes Vigilance Awareness Week. The week in which 31st

October, the birthday of late Sardar Vallabhbhai Patel falls is observed as Vigilance Awareness Week. The observance of Vigilance Awareness Week renews our commitment to achieve the goals of promoting integrity, transparency and accountability in public life.

Public participation in promoting integrity and eradicating Corruption¹ has been chosen as the theme for Vigilance Awareness Week this year by the Commission. In collaboration with Canara Bank Regional Office, Coimbatore held several activities in connection with the Vigilance Awareness Week, in order to create awareness among public. The Tamil department of our university in collaboration with Canara Bank Regional Office, Coimbatore conducted essay and oratorical competitions for the students on the topic —ஊழலற்ற சமுதாயம்² The textile department of our university in collaboration with National Textile corporation (NTC) organized a special lecture on the topic -Public participation in promoting integrity and eradicating Corruption¹ on Nov 2, 2016 at 11.45 a.m in the Home Science Block seminar hall. They also conducted essay competitions for the students and cash prizes were awarded.

The NSS wing of our university along with the NCC and sports wing organized a rally on Nov 3, 2016. The rally was flagged off by our beloved vice-chancellor. The Registrar, Deans and HOD's of various departments, NSS Co-coordinator, NCC officers, NSS PO's, Sports director and officials from Canara Bank Regional Office, Coimbatore graced the occasion with their presence. Two thousand three hundred students participated in the rally and they raised slogans which propagated the importance of a corruption free India.

The NCC wing of our university presented a vibrant march-past and the sports wing with great sportive spirit conducted the -Run for Unity¹ campaign. The rally was followed by a meeting held in the Thiruchitrambalam Auditorium.

Candle light March remembered with gratitude the sacrifice of National Freedom Fighters

Azadi- 70- Yadh Karo Qurbani

-Where the mind is without fear and the head is held high. Into that heaven of freedom, my Father, let my country awakel. The prayer of Tagore for our nation echoed in Avinashilingam University, when the chief guest of the Azadi 70 celebrations Thiru.M.R. Arumugam, Retd Headmaster and Gandhian recalled the quest of the great poets and freedom fighters.

The freedom fighter and Gandhian created a bonding with the crowd by addressing the students as grandchildren, the warriors of India. He appreciated the efforts taken by the sports women in the Rio Olympics 2016, for bringing glory to the nation. By quoting the words of the Mahakavi Bharathi he mentioned that his dream for the womenfolk of India is near fulfillment. He recalled his childhood experiences and narrated how his school imparted patriotic fervor and determination in his mind. Proudly did he recall the visit of Tagore to PSG Sarvajana School, his *alma mater*, and mentioned that *-Jana Gana Manall* was sung in PSG Sarvajana School as the school song even before the song was declared as the national anthem. He appealed to the students to contribute to the welfare of the nation.

The Chancellor of Avinashilingam Institute for Home Science and Higher Education for Women, Padmashri. Dr.P.R. Krishna Kumar began his presidential address by offering his salutations to the great nation, Mother India. He offered his salutations to Mahatma Gandhiji and all freedom fighters who fought for the freedom of our nation. In his presidential address he gave a short glimpse of the Indian freedom struggle. He insisted on the students devoting their time to understand the history of our nation and also appreciate the liberty that we enjoy today. He requested the students and youth of India to strive hard to protect and cherish our nation.

P.Ramalingam, a Gandhian and retired academician narrated the incidents that occurred in the life of Ayya. T.S. Avinashilingam avargal. He called the students as –the architects of our nation. –We should abolish corruption and contribute to the nation mentioned the staunch Gandhian and appealed to the crowd to fulfill the dreams of Kalam.

Dr. Premavathy Vijayan, Vice Chancellor thanked her former teacher and chief guest of the day, Thiru.M.R. Arumugam, who acted as her mentor during her school life. She made a special mention of his encouragement and support extended to the unprivileged students to participate in sports. She appreciated his righteousness and dedication to academics and student community. She mentioned that from August 8 to 23 the NSS, NCC and sports wings of the university were actively involved in Azadi celebrations.

The Registrar(i/c) Dr. Venmathi thanked the NSS Coordinator, NCC officers, Assistant Director of sports and all the students for their patriotic zeal and for making Azadi celebrations a grand success. She requested the students to strongly hold on to the values of –Sacrifice, Social living, Confidence and Determination—.

The Chancellor, Dr.P.R. Krishna Kumar administered the –Swachh Bharat Pledgell and Dr. Premavathy Vijayan, Vice Chancellor administered the –Unity Pledgell. The prizes were distributed to the winners of various sports and cultural events. Lieutenant. Shanthi, NCC Officer welcomed the gathering and Dr. M. Sylvia Subapriya introduced the chief guests. NCC Officer Lieutenant Dr. Malarvizhi proposed the vote of thanks. The program culminated with the national anthem.

Youth Awakening Day and National Integration Day Celebration

National Service Scheme of Avinashilingam University celebrated National Unity Day on 07.11.2016. Harshini. B., II B.Com Sang the prayer and youth anthem.

Dr.PA. Raajeswari, Programme Officer, Food Science and Nutrition, welcomed the gathering and the report was presented by Dr. R.Radha, Programme Officer, Food Service Management and Dietetics. In the Presidential Address, Dr. A. Venmathi, Registrar, Avinashilingam University stressed the need for the National Service Scheme (NSS) in Nation building and National Integration. She recalled the contributions of Sardar Vallabhai Patel, the Iron Man of India. Dr. M. Sylvia Subapriya, the NSS Programme Co-ordinator of the University introduced the chief guest, Shri. Samuel Chelliah, MSW, LLB, Regional Director, NSS Regional Centre, Chennai. In the key note address, the Regional Director pointed out that NSS shapes the young minds with positivity to realize that -I am OK and others are also OK|| to live in harmony. He also stated that -NSS transforms human beings for being humans|| satisfying the educational concept of Swami Vivekananda.

Dr.P.R. Krishna Kumar, Chancellor, Avinashilingam University administered the National Integration pledge and felicitated the gathering. He marvelled at the courage of Sardar Patel in unifying the various provinces of the country to make one large democracy. This was followed by the NSS Anthem rendered by the NSS volunteers. 'T' shirts painted by volunteers with national integration themes were displayed to be distributed to the children in the adopted villages.

ANNUAL REPORT OF e-GOVERNANCE FOR THE YEAR 2016-17

Poor governance has been undermining the service delivery and development initiatives undertaken by the majority of developing sectors. Many of these governments have now started using e-governance as a mechanism to engender change in their governance systems for achieving development goals and to ensure better service delivery to citizens and other stakeholders. Arguably, it also ensures improved public sector efficiency, accountability and responsiveness.
