**Avinashilingam Institute for Home Science and Higher Education for Women  
Coimbatore- 641 043**

**ANNUAL REPORT 2018-2019**

Sri Avinashilingam Home Science College for Women was established by the great patriot and educationist Dr. T.S. Avinashilingam under the auspices of the Avinashilingam Education Trust in 1957 with 45 students. The growth of the Institution has been carefully nurtured to its current heights by the world renowned educationist and nutritionist, former Chancellor of the University, Dr. Rajammal P. Devadas. It is now the largest Institution in the country for imparting Education at all levels. It was one of the eight colleges on which autonomy was conferred by the University of Madras in June 1978 and the first of the women's colleges to get this distinction. Autonomy gave the College scope for academic freedom for innovations in teaching and research.

The Government of India declared Sri Avinashilingam Home Science College for Women and Sri Avinashilingam Teacher's College for Women as a Deemed University under Section 3 of the UGC Act in June 1988. These Colleges have been renamed as Avinashilingam Institute for Home Science and Higher Education for Women. Dr.P.R.Krishnakumar has assumed the Chancellorship from 23.11.2015

The Institution follows the educational ideals of Sri Ramakrishna, Holy Mother Sri Saradamani Devi, Swami Vivekananda and Mahatma Gandhi and upholds a life of purity, discipline and service. A temple dedicated to Sri Ramakrishna commands the campus. Daily prayer is an integral part of campus life. All the students and staff are expected to participate in the common prayers.

The Institute functions under seven Schools, namely Home Science, Physical Sciences and Computational Sciences, Biosciences, Arts and Social Sciences, Commerce and Management, Education and Engineering. Each School functions under the headship of a Dean.

The pattern of education has been fully semesterised. The academic year is divided into two semesters, each semester having a minimum of 90 teaching days. The semester pattern offers each student individual attention of the teacher and facilitates the students' all- round development. It calls for active participation of the students in the learning process.

Regular attendance is an important feature of the semester pattern. In all programmes, a student requires a minimum of 75 percent attendance for both theory and practicals to appear for the Comprehensive Semester Examinations. Examinations for the courses offered in a Semester are conducted in the same semester to make learning more effective and to reduce the burden on the students.

### **Objectives of the Institute**

- Provide opportunities for the all – round development of the students and excellence in higher education, research and extension in different disciplines – Home Science, Physical Sciences and Computational Sciences, Biosciences, Arts and Social Sciences, Commerce and Management, Education and Engineering upto the level of Ph.D.
- Inculcate ethical values, social and moral standards in all the disciplines of study.
- Generate awareness among women about their rights and status through adult and non – formal education.
- Serve as a centre for national integration to bring together women from all parts of the country and develop an all – India perspective.
- Disseminate the findings of research to the society in order to facilitate development through the Community and Social Service programme.

The integration of NSS, NCC and Sports with the curriculum is a unique distinction of this Institute. While the scheme has all along been voluntary; educationists have started thinking about the incorporation of those in the curriculum itself to give academic status, credibility and credit.

NSS, NCC and Sports are curricular components for the undergraduate students, with academic credit for theory, practicals, special camp in the work areas and special activities. Attendance in Regular / Special activities / Camp is a requirement to appear for the theory examination in NSS, NCC and Sports.

CSS is a curricular requirement for PG, B.Ed. and M.Ed. students. They are expected to give two hours per week. The students will write a theory paper on CSS at the end of the second Semester. Attendance in CSS Programme is a requirement to appear for the theory examination.

Games class is compulsory for all first year Undergraduate students. Weekly one hour games class and attendance for the same is mandatory. Games class focus on student's health and fitness, creating awareness among the students to keep them fit and develop a competitive spirit to meet daily task and motivate them to participate in various professional sports. Approximately 300 students are attending games classes in day order basis for one hour every day. The physical fitness profile of the students is assessed regularly which helps them to maintain their fitness.

The Institution comprises of three different libraries. Central Library located in the main campus, School of Education Library and School of Engineering Library located in campus II. The Central Library is situated at the heart of the campus, incorporating the modern technologies so as to provide the readers with the right information at the right time. It is well planned and is very spacious having centralized air-conditioned reading hall with a total area of 19,765 Sq.Ft. with 450 seating capacity. It is one of the important core facilities of the Institute, currently has 2,47,543 volumes, including Books, Periodicals and Non-book materials. It provides access to more than 20,684 e-journals through subscription and e-ShodhSindhu. It has procured 2470 e-books and seven e-databases like SCOPUS, EBSCO & DELNET in different subject areas. The Library subscribes to about 350 current International and National Journals, Gratis, Magazines and Newspapers.

The library has been completely automated, well networked with wi-fi connectivity. The introduction of LMS-Koha software and Ezproxy software help the faculty members, scholars and students to have local and remote access to the library resources on 24/7 basis and provides access anytime and anywhere by adopting virtual learning environment. A separate ETD (Electronic Thesis Digitalization) Lab is setup under ShodhGanga project for digitalization and access of thesis. Self-service kiosk has been introduces so that members can issue and return books by themselves. The library is well secured using Radio Frequency Identification (RFID), CCTV and fire extinguisher facility.

## **12. Library**

Dr. T S Avinashilingam, the great patriot and educationist has laid the foundation stone for the Library of Avinashilingam Institute for Home Science and Higher Education for Women in 1957. The growth of the Library has been carefully nurtured with the dynamic leadership and determination of the succeeding Chancellors and the guidance of the eminent Vice Chancellors. The Library of our Institute serves as a knowledge resource centre for the promotion of teaching-learning and research in the students and staff of seven schools, namely, Home Science, Physical Sciences & Computational Sciences, Biosciences, Arts & Social Sciences, Commerce & Management, Education and Engineering.

The Library provides a lively and enriching intellectual ambience to the readers. The resources of the Library fulfill the academic, research and recreational needs of the users. The Institute comprises of four libraries: the Central Library located in the Campus I, School of Education Library (1,248 sq. ft.), School of Engineering Library (10,064 sq. ft.) and Guru Maharaj Library (2,128 sq. ft.) located in Campus II. The Central Library is well planned and is very spacious with a total area of 19,765 sq. ft. with 450 seating capacity. The Library functions throughout the year except a few national holidays. The Library is kept open for the readers from 09:00 am to 08:00 pm on all working days and from 09:30 am to 01:00 pm during holidays to enable continuous pursuit of learning.

The Central library is well equipped with air-conditioned reading hall and the latest Information and Communication Technology (ICT) facilities spread over all floors. The library building has a surveillance system and uses RFID technology for providing automated service to its users. It also offers seamless Wi-Fi connectivity, 24/7 remote access facility and a fire alarm system. The Library is fully automated with in-house and KOHA open source software. The OPAC (Online Public Access Catalogue) & WEBOPAC system provides easy access to the large database of books, journals and e-resources. The library has a separate dynamic website with access to all its resources at a single point. All the bibliographic records available in the Central Library can be accessed via internet and intranet.

The book racks are well-stacked, user friendly and the open access system allows students to browse the entire collection individually. The readers can also have access to online resources including e-books, e-journals, e-databases and CD/DVDs. The anti-plagiarism software Turnitin and Urkund help the researchers to enhance their original research writing. The library also provides special service for the visually challenged students. A special zone has been carved out for the digital library for the digitalization of documents for the institutional repository, question bank and rare books. The well-furnished and illuminated library provides a serene atmosphere and encourages the students to pursue their academic and research activities.

## **RESOURCES**

The library has a rich collection of more than 4,49,665 which includes current information resources like printed books, reference books, theses, online resources, databases and audio-visual aids to meet the information needs of readers. During the financial year 2018-2019, the library acquired 2999 books. The library subscribed and made renewal for 168 print periodicals and also receives 101 journals as gratis. The library subscribes to various online resources like e-databases (EBSCO, SCOPUS, DEL NET), e-journals (IEEE, EBSCO Business Source Elite) and e-books (Springer, Wiley, Pearson, McGraw Hill, EBSCO academic collection).

## **READERS**

During the year 2018-2019, the library has 7313 registered borrowers and 1,57,300 book transactions were made at the circulation desks (issue, return). Annually 4,81,870 book consultations and 2,77,310 periodical consultations were made by the readers. On an average 770 users visited the library per day.

## **AUTOMATION**

The computing infrastructure of the library includes hardware with networking equipment, robust software and has completely automated services with Koha and indigenously developed software. The library has internet connectivity with one Gbps leased line. Grammarly software enhances the writing style of the scholars and staff by correcting the spelling and grammatical errors in the theses, research articles, assignments and in writing bibliographies using APA, MLA and Chicago styles. INFED help the users to have local and remote access to the library resources on a 24/7 basis by adopting virtual learning environment. Search optimization of the library resources is provided to its users through OPAC/Web OPAC.

Through campus network information from the library is disseminated to various departments. The library has uploaded 499 Ph.D theses and 10 synopses online in Shodhganga, Shodhgangotri respectively. The library has access to turnitin & urkund anti-plagiarism software for evaluating the originality of the research.

## **DIGITAL LIBRARY**

The Digital library was created using the D-Space software. D-space is an open source repository used as digital archives system focused on the long-term storage, access and preservation of digital content. The digitalized materials like staff publications, theses, our founder's collection, rare books and question papers can be accessed through intranet and internet.

## **ELECTRONIC JOURNAL BROWSING**

The library has access to 30,387 e-Journals, 1,73,859 e-Books and seven e-Databases through Institution subscription and e-ShodhSindhu (INFLIBNET) membership. A separate browsing centre with more than 50 systems and three higher -end- server is established in the library for accessing these resources.

## **SERVICES**

The following services are provided for the readers:

- Circulation service
- Reference service
- Web-based Online Public Access Catalogue
- Internet access
- Digital library
- Remote access and Wi-Fi facility
- Reprography, printing and scanning
- Anti-plagiarism software
- Newspaper clipping service
- Inter-Library Loan (ILL) through DELNET
- Facilities for students with special needs
- Radio Frequency Identification (RFID)
- User awareness/Library orientation

The ILL (Inter Library Loan) request of the students, research scholars and faculty are being fully met through DELNET and J-gate Plus. The library has received nearly 14 books under Document Delivery Service. The library extends its services to the needs of the scholars from other colleges and universities. During this year nearly 15 students and staff from other institutions visited the library for reference.

## **ENHANCED SERVICES**

### **Centre for Students with Special Needs**

The Library is accessible for the students with special needs with ramp facility and a separate section is designed for the students with software, hardware, braille books and wheel chair. The software, namely Job Access with Speech Software (JAWS), Non Visual Desktop Access (NVDA), Kuruzweil Reading Machine Software (Visually Impaired/ Low Vision), Magic Software and specially configured hardware such as Read it Wand, Read Easy Move and Seika Braille reading device are accessible.

## **Laptop Corner**

Laptop corner is a new facility provided for using ten laptops at a time for scholars in the reading hall with a provision of charging points and tables.

## **SECURITY FACILITIES**

- **RFID (Radio Frequency Identification)** – RFID has added the benefit of improving book security. The three dimensional security gate kept in the library entrance helps to avoid book thefts.
- **Electronic Gate Register** - Electronic Gate Register provides additional security. Readers' bar coded ID cards are scanned at the entrance and exit points. This enables to get the exact number of readers using the library at a particular time.
- **CCTV Camera** – The 16 cameras placed in the various sections of the library helps in vigilance and the signage board located in the reading hall provides an alert to the students.
- **Fire Alarm** - The library building is fixed with fire alarm facility in order to minimize the possibility of damage from fire.

A separate training zone has been created for making aware of the students about the online databases, e-resources, search techniques and capture innovative ideas of ongoing research in their subject field. The training of information literacy programme scheduled throughout the year by technically trained staff members and invited experts from the neighboring institutions.

The library adopted many ICT facilities and uses latest software for supporting the teaching-learning process by providing quality services, facilities and modernizing activities to achieve higher degree of user satisfaction.

## **20. Facilities Provided for Scheduled Caste & Scheduled Tribe Students 2018-2019**

### **Enrolment of students for the Academic Year 2018-2019**

At the **Undergraduate level**, out of 4588 candidates, 559 belong to SC Category and 57 Candidates belong to ST Category. At the **Postgraduate level**, out of 1038 candidates, 91 belong to SC Category and 26 belong to ST category. In **Bachelor of Education (B.Ed./ B.P.Ed.)** out of 297 candidates, 50 candidates belong to SC category. In **Master of Education (M.Ed.)** out of 20 candidates, 2 students belong to SC category and no candidates in ST. In **Master of Philosophy (M.Phil)** out of 55 candidates, 7 candidates belong to SC and no students belong to ST category. In **Doctorate of Philosophy (Ph.D)** out of 310 candidates, 34 belong to SC and 4 candidates belong to ST category.

### **HOSTEL ADMISSION**

For Admission to hostel, preference is given to all those who have applied under SC/ST category.

### **TEACHING STAFF**

Out of 178 **Teaching Staff members**, 27 members belong to SC category and 6 belong to ST Category.

### **NON-TEACHING STAFF**

Out of 81 **Non-teaching staff members**, 24 members belong to SC category and 5 members belong to ST category.

## 24. THANKS

With the abundant blessings and the Grace of God Almighty and the blessings of the Architects of this Institution Dr.T.S.Avinashilingam and Dr.Rajammal P Devadas, under the dynamic leadership of our Former Chancellor Dr.T.S.K.Meenakshisundaram and Chancellor Dr. P.R.Krishnakumar, we have successfully completed this academic year. We would like to record our grateful thanks to our Former Chancellor Dr.T.S.K.Meenakshisundaram and the Present Chancellor Dr.P.R.Krishnakumar for their continuous and wise counsel, support and guidance. We are thankful to the members of the General Body and Board of Management for their co-operation, valuable suggestions and guidance. We extend our sincere thanks to the members of the Academic Council, Boards of Studies, Finance Committee, Planning and Monitoring Board and other Committees for their guidance and timely help.

The Deans, Heads of the Departments, Teaching and Non-Teaching staff have given their sincere and dedicated service to the Institution for which we are always thankful to them. We record our appreciation and thanks to the Students' Union Chairperson, Co-Chairpersons, Secretary, Joint Secretary, other office bearers and all the students who involved themselves fully and participated in the curricular, co-curricular and extra curricular activities. We express our sincere thanks to the parents for their wonderful support and co-operation. We are extremely grateful to the Press, Doordarshan, All India Radio and other media for their help and support.

We are grateful to the University Grants Commission, the Government of India and the Government of TamilNadu for their financial assistance and Department of Science and Technology-Govt.of India, for encouragement and rendering financial assistance.
