**Avinashilingam Institute for Home Science and Higher Education for Women  
Coimbatore- 641 043**

**ANNUAL REPORT 2019-2020**

Sri Avinashilingam Home Science College for Women was established by the great patriot and educationist Dr. T.S. Avinashilingam under the auspices of the Avinashilingam Education Trust in 1957 with 45 students. The growth of the Institution has been carefully nurtured to its current heights by the world renowned educationist and nutritionist, former Chancellor of the University, Dr. Rajammal P. Devadas. It is now the largest Institution in the country for imparting Education at all levels. It was one of the eight colleges on which autonomy was conferred by the University of Madras in June 1978 and the first of the women's colleges to get this distinction. Autonomy gave the College scope for academic freedom for innovations in teaching and research.

The Government of India declared Sri Avinashilingam Home Science College for Women and Sri Avinashilingam Teacher's College for Women as a Deemed University under Section 3 of the UGC Act in June 1988. These Colleges have been renamed as Avinashilingam Institute for Home Science and Higher Education for Women. Dr.P.R.Krishnakumar has assumed the Chancellorship from 23.11.2015

The Institution follows the educational ideals of Sri Ramakrishna, Holy Mother Sri Saradamani Devi, Swami Vivekananda and Mahatma Gandhi and upholds a life of purity, discipline and service. A temple dedicated to Sri Ramakrishna commands the campus. Daily prayer is an integral part of campus life. All the students and staff are expected to participate in the common prayers.

The Institute functions under seven Schools, namely, Home Science, Physical Sciences & Computational Sciences, Biosciences, Arts & Social Sciences, Commerce & Management, Education and Engineering. Each School functions under the headship of a Dean.

The pattern of education has been fully semesterised. The academic year is divided into two semesters, each semester having a minimum of 90 teaching days. The semester pattern offers each student individual attention of the teacher and facilitates the students' all- round development. It calls for active participation of the students in the learning process.

Regular attendance is an important feature of the semester pattern. In all programmes, a student requires a minimum of 75 percent attendance for both theory and practicals to appear for the Comprehensive Semester Examinations. Examinations for the courses offered in a Semester are conducted in the same semester to make learning more effective and to reduce the burden on the students.

### **Objectives of the Institute**

- Provide opportunities for the all – round development of the students and excellence in higher education, research and extension in different disciplines – Home Science, Physical Sciences & Computational Sciences, Biosciences, Arts & Social Sciences, Commerce & Management, Education and Engineering upto the level of Ph.D.
- Inculcate ethical values, social and moral standards in all the disciplines of study
- Generate awareness among women about their rights and status through adult and non – formal education
- Serve as a centre for national integration to bring together women from all parts of the country and develop an All – India perspective
- Disseminate the finding of research to the society in order to facilitate development through the Community and Social Service programme.

The integration of NSS, NCC and Sports with the curriculum is a unique distinction of this Institute. While the scheme has all along been voluntary; educationists have started thinking about the incorporation of those in the curriculum itself to give academic status, credibility and credit.

NSS, NCC and Sports are curricular components for the undergraduate students, with academic credit for theory, practicals, special camp in the work areas and special activities. Attendance in Regular, Special activities and Camp is a requirement to appear for the theory examination in NSS, NCC and Sports.

CSS is a curricular requirement for PG, B.Ed. and M.Ed. students. They are expected to give two hours per week. The students will write a theory paper on CSS at the end of the second Semester. Attendance in CSS Programme is a requirement to appear for the theory examination.

Games class is compulsory for all first year Undergraduate students. Weekly one hour games class and attendance for the same is mandatory. Games class focus on student's health and fitness, creating awareness among the students to keep them fit and develop a competitive spirit to meet daily task and motivate them to participate in various professional sports. Approximately 300 students are coming in day order basis for one hour every day. The physical fitness profile of the students is assessed regularly which helps them to maintain their fitness.

The Institution comprises of three different libraries. Central Library located in the main campus, School of Education Library and School of Engineering Library located in campus II. The Central Library is situated at the heart of the campus, incorporating the modern technologies so as to provide the readers with the right information at the right time. It is well planned and is very spacious having centralized air-conditioned reading hall with a total area of 19,765 Sq.Ft. With 450 seating capacity. It is one of the important core facilities of the Institute, currently has 2,47,543 volumes, including Books, Periodicals and Non-book materials. It provides access to more than 20,684 e-journals through subscription and e-ShodhSindhu. It has procures 2470 e-books and seven e-databases like SCOPUS, EBSCO & DELNET in different subject areas. The Library subscribes to about 350 current International and National Journals, Gratis, Magazines and Newspapers.

The library has been completely automated, well networked with wi-fi connectivity. The introduction of LMS-Koha software and Ezproxy software help the faculty members, scholars and students to have local and remote access to the library resources on 24/7 basis and provides access anytime and anywhere by adopting virtual learning environment. A separate ETD (Electronic Thesis Digitalization) Lab is setup under ShodhGanga project for digitalization and access of thesis. Self-service kiosk has been introduces so that members can issue and return books by themselves. The library is well secured using Radio Frequency Identification (RFID), CCTV and fire extinguisher facility.

## 12. Library 2019-2020

Dr. T S Avinashilingam, the great patriot and educationist has laid the foundation stone for the Library of Avinashilingam Institute for Home Science and Higher Education for Women in 1957. The growth of the Library has been carefully nurtured with the dynamic leadership and determination of the succeeding Chancellors and the guidance of the eminent Vice Chancellors. The Library of the Institute serves as a knowledge resource centre for the promotion of teaching-learning and research in the students and staff of seven schools, namely, Home Science, Physical Sciences and Computational Sciences, Biosciences, Arts and Social Sciences, Commerce and Management, Education and Engineering.

The Library provides a user friendly, conducive environment for students and researchers to pursue their academic and research endeavours. The library has a rich collection of more than 4,56,608 volumes which includes current information resources like printed books, reference books, theses, online resources, databases and audio-visual aids to meet the academic, research, recreational and information needs of the users. The Institute comprises of four libraries: the Central Library located in Campus I, School of Education Library (1,248 sq. ft.), School of Engineering Library (10,064 sq. ft.) and Guru Maharaj Library (2,128 sq. ft.) located in Campus II. The Central Library is well planned and is very spacious with a total area of 19,765 sq. ft. with 450 seating capacity.

The Library functions throughout the year except a few national holidays. The hours of operations of the library is from 09:00 am to 08:00 pm on all working days and 09:30 am to 01:00 pm during holidays to enable the user community to come, interact and collaborate with one another which catalyzes and fosters interdisciplinary research and generates knowledge. Students must bring their ID cards which will ensure that the library facilities are meaningfully used by the AIHS&HE students only.

The Library has a newly renovated air-conditioned reading hall with the seating capacity of 120. Laptop corner has been created with a provision of charging points and tables in the reading hall. The library building has a surveillance system to secure the resources of the Library and the RFID technology installed inside the Library enables automated service to the users. The Library offers seamless Wi-Fi connectivity, 24/7 remote access and a fire alarm system. The Library is fully automated with in-house and KOHA open source software. The OPAC (Online Public Access Catalogue) & WEB OPAC system provides easy access to the large database of

books, journals and e-resources. The library has a separate dynamic website with access to all its resources at a single point. All the bibliographic records available in the Library can be accessed via internet and intranet.

Open access system enables students to locate the book from the entire collection independently. The readers can also have access to online resources including e-books, e-journals, e-databases and CD/DVDs. The anti-plagiarism software Turnitin and Urkund help the researchers to enhance their original research writing. The library also provides special service for the visually challenged students. A special zone has been established for digitizing the documents and access through institutional repository of the library website. The well-furnished and illuminated library provides a serene atmosphere and encourages the students to pursue their academic and research activities.

### **Reader Services**

During the year 2019-20, the library has 7539 registered users which include faculty members, research scholars, postgraduates and undergraduates. The Library issued 1,59,750 books during the year. About 4,82,950 books and 2,79,630 periodical consultations were made by the users. On an average, 750 users visited the library per day.

### **Resource Sharing/ Inter Library Loan (ILL)**

The ILL (Inter Library Loan) request of the students, research scholars and faculty members are fulfilled through DELNET and J-gate Plus. The library has received 22 books, 26 journal articles and 3 standards through Document Delivery Service. The scholars and staff members from other academic institutions can also access the Library resources through proper channel.

### **Procurement of Books and E-Books**

The Library procured 6098 books and 1,74,044 e-books and the cost comes around Rs.21,03,202/- and Rs.6,39,616/- respectively. The Library received 1161 books, worth of Rs.64,356/- as Gifts/Gratis.

### **Technical Processing of Books**

The Library processed 2202 procured books and 391 gift books respectively.

### **Subscription of Periodicals and Electronic Databases**

The Library subscribed 177 print periodicals and receives 101 journals as gratis. The Library provides access to subscribed e-journals from IEEE, EBSCO Business Source Elite and e-books from Cambridge, EBSCO academic collection, Elsevier, Pearson, Prentice Hall of India (PHI), Springer. The library renewed the subscription of the following online databases namely, EBSCO, SCOPUS, DELNET and added five new databases, viz., SCIFINDER, Capitaline, Indiastat, Economic Outlook and Economic and Political Weekly Research Foundation (EPWRF)).

### **Online Databases Available Through Inflibnet**

The following online databases are available through INFLIBNET e-Shodhsindhu Consortium: American Chemical Society, American Institute of Physics, American Physical Society, Annual Reviews, Economic & Political Weekly (EPW), Oxford University Press, Project Muse, Springer Link Journals and Taylor & Francis.

### **Print Accessibility for Print Disabled**

In order to meet the needs of the visually challenged students of the Institute, a special unit has been established in the name of Print Accessibility for Print Disabled in the reading hall with ramp and wheel chair. Four computers have been established specially for the visually challenged students to access e-resources and Braille books. Special softwares like Job Access with Speech Software (JAWS), Non-visual Desktop Access (NVDA), Kuruzweil Reading Machine Software (Visually Impaired/ Low Vision), Magic Software and specially configured hardware such as Read it Wand, Read Easy Move and Seika Braille reading device are accessible.

### **Electronic Journal Browsing**

The library has access to 30,404 e-Journals, 1,74,044 e-Books and twelve e-Databases from both Institution subscription and e-ShodhSindhu (INFLIBNET) membership. A separate e-resource browsing centre with more than 50 systems and three higher end servers is established in the library for accessing the e-resources.

### **Digital Library**

The Library is fully automated using KOHA-Integrated Library Management Software for housekeeping operations in different sections viz. Technical, Periodicals, Circulation, Reference, Stack I and II. The Integrated Library Management Software was upgraded to its higher version

and the Online Public Access Catalogue (OPAC) supports the users to find the availability of all the Library Resources easily. The Library has internet connectivity with one Gbps leased Line. The library has uploaded 514 PhD theses and 10 synopses in Shodhganga and Shodhgangotri respectively.

### **Institutional Repository**

The Library digitized publications, theses of the faculty and scholars, founder's collections, rare books and question papers of the Institute using D-Space software and these materials can be accessed through intranet.

### **Remote Access**

All the e-resources of the Library can be accessed by the registered users anytime from anywhere with the user name and password provided by the Library with the help of INFLIBNET Access Management Federation (INFED).

### **Plagiarism Checking**

Turnitin and Urkund software have been used for checking plagiarism in journal articles, theses, conference papers and book chapters.

### **Design of Library Website**

A vibrant and interactive website has been designed for the Library and was inaugurated by the Vice Chancellor Dr. PremavathyVijayan on 08.02.2019.

### **Security Facilities**

- **RFID (Radio Frequency Identification)** – RFID technology has been introduced to protect the library resources. Three dimensional security gate mounted in the entrance safeguards the Library books from theft.
- **Electronic Gate Register** - Readers' RFID enabled ID cards are scanned at the entrance and exit points. This enables to get the exact number of readers using the library at a particular time.
- **CCTV Camera** – There are 16 cameras fixed in various sections of the library for surveillance and the signage board supports in vigilance and high security of the Library resources.

- **Fire Alarm - The fire alarm fixed in the library building minimizes the possibility of damage from fire.**

### **Disposal of Old/Obsolete Materials**

The Library disposed old newspapers and magazines for Rs.28,497/- and the amount is deposited with the Finance Section.

### **Binding of Books and Journals**

800 Books and Journal Volumes were bound during the year 2019-2020.

### **Training Programmes Organized**

- The Library organized a training programme on **“Information Services @ UGC INFLIBNET”** at Thiruchitrambalam Auditorium on **21.09.2019**. Mr. Raja V, Scientist-B (CS) from **INFLIBNET** centre, Gandhi nagar, Gujarat spoke about the INFLIBNET and Information services provided. Dr.K.T.Geetha, Dean, School of Arts and Social Sciences of the Institute inaugurated the training programme and introduced the chief guest. Nearly 633 participants (UG-67; PG-376; M.Phil-37; Ph.D-62; Staff-91) - both students and faculty members participated and benefitted from this programme.
- A training programme on **“Web of Science & Endnote”** was organized by the Library by inviting Mr.Jaswant Jenny, Solution Consultant, Clarivate Analytics on **30.09.2019**. Nearly 526 participants (PG-376, M.Phil-37, PhD-62 and Staff-51) from various schools participated and benefitted from the programme.

### **Orientation Programme Organized**

The Library organized orientation programme in the month of July to its students at the beginning of the year. This year subject specific orientation on digital library and library facilities was scheduled. Batch-wise orientation was provided for newly admitted students and research scholars for ten days (10.7.2019 to 19.7.2019). An online user awareness programme on Turnitin was also organized on the final day specifically for scholars to know about plagiarism and method of avoiding that from the initial stage itself. This orientation gave an insight into the available library resources to the students.

### Book Exhibition Conducted

The Library organized a Book Exhibition from 4<sup>th</sup> to 6<sup>th</sup> September, 2019 in the Library premises for the benefit of the students and staff to get familiar with new books in their subject and in general studies. Dr.S.Kowsalya, Registrar of the Institute inaugurated the book exhibition along with the Deans of various schools and library staff. Eight publishers and eight book sellers displayed their books, namely, Viva Publishers, Ane Books, CBS Publishers, Himalaya Publishers, New Age International, World Scientific Publishers, McGraw Hill and S.Chand and Book sellers, namely, Pai& Sons, Global Books Syndicate, Great Books, New Century Book House, Odyssey, TBH Publishers & Distributors, Velan Book Suppliers and Naveen Sports Books.

### Membership

The Library is the Member of DELNET and INFLIBNET e-ShodhSindhu(ess)

## 25. Thanks

With the abundant blessings and the Grace of God Almighty and the blessings of the Architects of this Institution Dr.T.S.Avinashilingam and Dr.Rajammal P Devadas, under the dynamic leadership of our Former Chancellor Dr.T.S.K.Meenakshisundaram and Chancellor Dr. P.R.Krishnakumar, we have successfully completed this academic year. We would like to record our grateful thanks to our Former Chancellor Dr.T.S.K.Meenakshisundaram and the Present Chancellor Dr.P.R.Krishnakumar for their continuous and wise counsel, support and guidance. We are thankful to the members of the General Body and Board of Management for their co-operation, valuable suggestions and guidance. We extend our sincere thanks to the members of the Academic Council, Boards of Studies, Finance Committee, Planning and Monitoring Board and other Committees for their guidance and timely help.

The Deans, Heads of the Departments, Teaching and Non-Teaching staff have given their sincere and dedicated service to the Institution for which we are always thankful to them. We record our appreciation and thanks to the Students' Union Chairperson,Co-Chairpersons, Secretary, Joint Secretary, other office bearers and all the students who involved themselves fully and participated in the curricular, co-curricular and extra curricular activities. We express our sincere thanks to the parents for their wonderful support and co-operation. We are extremely grateful to the Press, Doordarshan, All India Radio and other media for their help and support.

We are grateful to the University Grants Commission, the Government of India and the Government of TamilNadu for their financial assistance and Department of Science and Technology-Govt.of India, for encouragement and rendering financial assistance.
