Venue: Conference Hall

## ERP Workshop

ERP uses a centralized database for various business processes to reduce manual labour and to simplify existing business workflows. ERP systems typically contain dashboards where users can look at real-time data collected from all across the business to measure productivity and profitability. The workshop on ERP was conducted by Ms.Prasana Devi, Assistant Professor, NGP College of Arts and Science on 10/01/2019. IQAC Director thanked the organizers.

## WORKSHOP on Entrepreneurship Development Program

A two day workshop on Entrepreneurship development programme was conducted on 10.9.2018 and 11.9.2018 for I & II PG and III UG students of Interior Design and Resource Management. Workshop organized by Mrs.R.Amirtha priya Temporary Assistant Professor. KVJ. Prof. Dr. R. GANESAN Founder, Chairman and Managing trustee, National Foundation for Entrepreneurship Development were the chief guest. The welcome speech was given by the head of the department Dr.M.R.Thilagam.

He shared his views on entrepreneurship development to encourage the budding students. His words are really inspirational and taught some knowledge about the entrepreneurship development. He said "A social entrepreneur is a person who diagnoses a social need in their community and creates a venture to achieve social change, whereas a business entrepreneur is mostly interested in generating financial profit. From the self-introductions it became evident that most of us were interested in social entrepreneurship, had volunteered in various NGOs, or had been employed in non-profit organizations. Nevertheless, through this fast paced series of workshops we learnt how to turn a seemingly non-commercial idea into a marketable concept which can have the potential to become a viable, gainful business.

In fact apparently simple questions that made unfamiliar ideas, such as business plan, workflow chart and marketing communication. By urging us to work our ideas initially through these questions and by assisting us to define short, medium and long term targets, our chief guest facilitated our thinking towards transforming our preliminary, unrefined ideas into coherent, professional-sounding money-making enterprises.

We were also able to discuss our own business ideas with the group and, indeed, some brilliant ideas were heard. Some of the ideas expressed were a unit which will include an organic farm, a vet clinic and a café in the same premises; a gym/nutrition centre which will have a holistic approach to well being. The sessions were concluded by Mrs.R.Amirtha Priya by thanking him and Presented him a memento. IQAC, Director thanked the organizers.

Mr.Ganesan engaging the students

## Report of the Workshop

The two day's workshop was conducted with the broad objective to give an overview about the statistical methods used in research analysis and how different tests of statistics can be used to analyze a given set of data. The specific objective of the program included understanding the sampling methods, choosing appropriate test for testing hypothesis proposed in the research and applying SPSS software for data analysis.

On 25<sup>th</sup> and 26<sup>th</sup> October, 2018, the Department of Food science and Nutrition, Nutrition Society of India, Coimbatore chapter and Department of Textiles and Clothing conducted a workshop entitled "Stat is Tricks" in the Hi-Tech seminar hall. The workshop was opened to the 1<sup>st</sup> year post graduate students of Food Science and Nutrition, Textiles and Clothing and Biotextiles, MPhil. and Ph.D. research scholars. About 75 participants benefitted from the workshop. The workshop was organized by Dr.R.Baladasirekha, Assistant Professor, Department of Food Science and Nutrition and Dr.S.Amsamani, Professor, Department of Textiles and Clothing. The task for the workshop was distributed among the students. Inaugural address was given by Dr. Anil C. Mathew, Professor, Department of Community Medicine, PSG Institute of Medical Sciences and Research, Coimbatore. Dr. Arun, Professor of Community Medicine accompanied Dr. Anil. He gave an overview on "Correlation", its working formula and various examples on the topic which made the participants easier to understand the concept which was discussed earlier in the regular statistics classes. He explained about Pearson correlation coefficient, regression, formulae to compute the problem and interpret the relation found out of it. He also showed how to carry out the analysis of correlation and regression in SPSS. He concluded his session with the statement that correlation measures simple linear relation and does not imply

causation. His take away message was not to be afraid of the statistics and always believe in it. His session was very interesting and interactive. The forenoon session was completed with the vote of thanks by Ms. Madhuri Sinha, I MSc. FSN. Similarly, in the afternoon session, the guest speaker Dr. K.T. Geetha, Dean, School of Arts and Social Sciences, Professor of Economics, Avinashilingam Institute for Home Science and Higher Education for Women, was introduced by Ms. Meenakshi, I M.Sc. Department of Textiles and Clothing. Dr. K.T. Geetha highlighted on the topic "Probability and its applications". She dealt from the scrap with the definition and related words of probability, rules of probability, binomial probability distribution, Poisson distribution, normal distribution and standard normal distribution. Her session was very informative and interactive. The vote of thanks for the afternoon session was given by Ms. Reshma Krishnan, I M.Sc. Department of Food Science and Nutrition.

For the second day, the guest speaker for the session Dr. S. Gandhimati, Professor, Department of Economics, Avinashilingam Institute for Home Science and Higher Education for Women was introduced by Ms. Shifana, I MSc. FSN. Her session included practical overview of SPSS and how to use the SPSS for statistical analysis. She made very clear about using the SPSS and the practical session was very interesting to learn. With the vote of thanks by Ms. Vidhya of I M.Sc. FSN, the forenoon session ended. In the afternoon session, the guest speaker, Dr. G. P. Jeyanthi, Director, Research and Consultancy, Avinashilingam Institute for Home Science and Higher Education for Women, was introduced by Ms. Sarika Maskara, I MSc. FSN. Dr. G. P. Jeyanthi rocked on "Parametric and Non-Parametric test". She explained about types of statistics, distribution of data, testing of hypothesis using various test like t-test, F-test, Chi-square test and ANOVA. She clarified the concepts- where and in which conditions these test can be applied. She further enlightened about the measurement scale used in statistics. Her in-depth knowledge made clear about the parametric and non-

Parametric test and its application. The afternoon session ended by the vote of thanks delivered by Ms. Keerthana Sri, I MSc. FSN. The formal closing of the workshop came to end by thanking the administrators and organizers, the professor and head and staff members of both the departments.

To conclude, the one day workshop was really very crucial to get an in-depth knowledge on the statistical method, its application and the use of software for statistical analysis. Every session by the guest speakers were full of information, interactive and interesting. The workshop was very purposive and all the expectations were fulfilled as per mentioned by the participants. Further conduction of such workshops was demanded. IQAC, Director thanked the organizers.

**“New Framework of NAAC – Accreditation and Institutional Preparedness”**

**13<sup>th</sup> and 14<sup>th</sup> August 2018**

The Internal Quality Assurance Cell of our institute organized a Two-Day Workshop on **“New Framework of NAAC – Accreditation and Institutional Preparedness”** during 13<sup>th</sup> and 14<sup>th</sup> August 2018.

**Inauguration:**

The inaugural function started with a warm traditional welcome to the dignitaries - chief guest Dr.Priya Narayanan, Assistant Advisor NAAC along with Vice Chancellor and Registrar, Deans, Heads of various departments and faculty members. The inauguration sought a good start with prayer.

Dr.U.Jerinabi, NAAC Coordinator, Dean School of Management welcomed the gathering and introduced the speaker. She also briefed about the objectives of the workshop.

**Welcome Address by Dr.U.Jerinabi, IQAC Coordinator**

Dr.Premavathi Vijayan, Vice Chancellor presided over the function and the felicitation given by Dr.S.Kowsalya registrar of our Esteemed Institution.

**Presidential Address by Dr.Premavathi Vijayan Vice Chancellor**

### **Felicitations by Dr.S.Kowsalya, Registrar**

In the Inaugural address, the chief guest Dr.Priya Narayanan addressed the gathering about the significance of NAAC and stakeholders' contribution to accomplish the accreditation. She also apprised the values and ethics of both teachers and students. Her motivational and inspirational speech about women empowerment was thought provoking. She insisted on the use of email and the need to be tech savvy in this technological era. Her guidelines to students on the Student Satisfaction Survey and the gratitude the students owe to alma mater fulfilled the primary objective of the workshop.

The Chief guest in her address also highlighted to the students the need to maintain alumni relation with the institute even after they graduate and leave the place. She insisted on the contribution of students in the eventual growth of the institution.

**Inaugural Speech by Dr.Priya Narayanan , Advisor NAAC**

**Receptive Audience interaction**

The session concluded with vote of thanks by Dr.Sivakamasundari, IQAC Director

**Thanks Giving by Dr.K.Sivakamasundari, Director IQAC**

### **Common Session I: "Perspective of NAAC on Revised Accreditation Framework"**

After the tea break, the session started with "Perspective of NAAC on Revised Accreditation Framework" by Dr.Priya Narayanan. The session included topics on :

- ✓ RAF demand
- ✓ significance of ICT based Education
- ✓ Global growth in higher education
- ✓ Bloom's Taxonomy
- ✓ Employer's Feedback
- ✓ Curriculum Enrichment
- ✓ Skill Development

- ✓ Social Benefits and Institutional's Responsibility towards Higher Education,
- ✓ Need to accept the changes in the education scenario
- ✓ Key role of institutional's leadership in higher education
- ✓ Need for Intellectual property rights Cell
- ✓ Need for incubation centre
- ✓ Need for bridge courses in English to improve the communicative skills for rural students

**Eye opening session by the Chief Guest in various aspects**

## Technical Session I

The Technical session II started with IIQA and Criterion-I presentation by Dr.K.T.Geetha, Dean School of Arts and Social Science. Additional information related to curriculum and various suggestions was given by Dr.Priya Narayanan.

*Discussion and Suggestion for Criterion I*

## **Technical Session II**

In session III, criterion II and III were presented by the respective criterion heads and overall suggestions to be carried out were given by Dr.Priya

### **Discussion and Suggestion for Criterion II and III**

## **Technical Session III**

Criterion IV, VI and VII were presented by the respective heads, if the suggestions will be carried out leads us to enrich our path for uplifting the information. The sessions were focusing and producing the relevant information based on the criterion helps to be knowledgeable.

### **Discussion and Suggestion for Criterion IV, VI and VII**

#### **Technical Session – IV**

The entire session were lively and more interactive and came out with following suggestions for Criterion- V, institutional policy for freeship/scholarship constituted, much emphasis on bridge course, capability enhancement skills to institute website link, passport and visa details of international students, nil grievances status to be mentioned in the university annual report and number of events to be accounted and not the number of activities.

### **Discussion and Suggestion for Criterion V**

#### **Alumini Meet**

This session was arranged to meet our chief guest Dr. Priya Narayanan to get the feedback from the passed out students about the institute. Based on the feedback the suggestions were given and changes will be carried for enhancement.

## **Valediction**

The interactive sessions with the criterion heads and subsequent suggestions by the Chief guest denoted the success of the workshop. The fruitfulness of the workshop would be in the form of changes and recommendations for the enrichment of the institutional accreditation process.

Online Feedback was obtained from all participants to judge the fruitfulness of the workshop and also for further betterment in the conduct of such workshops.

**Welcome Speech by Dr.Premavathy Vijayan Vice Chancellor**

**Overall feedback and Suggestions by NAAC Advisor Dr.Priya Narayanan**

## Feedback from the Criterion Heads
