IQAC Report

The Induction Programme for newly Recruited Faculty Members (12.02.2018)

An Induction Program was organized to the newly recruited Faculty members to develop an understanding of policies and practices , to acquire an understanding of how the Institute works and their role in contributing to the success of the Institute.

Curriculum design and teaching Learning Mmethods

Prof. Dr. K. T. Geetha delivered a talk on “Curriculum design and teaching learning methods”

She explained curriculum design and teaching learning methods as process of developing appropriate need-based inputs in consultation with expert groups, and based on the feedback from stakeholders that results in the development of relevant programmes with flexibility, to suit the professional and personal needs of the students and realization of core values. She elaborated about the Key Indicators (KIs) which is considered as the good practices of the institution in initiating a range of programme options and courses that are relevant to the local needs and in tune with the emerging national and global trends. She emphasized Curriculum evolvement of the University/Autonomous College by Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs).

Assessment and Evaluation

Prof. Dr. K. Manimozhi delivered a talk on “Assessment and evaluation” She delivered a key Indicator issues related to assessment of teaching, learning and evaluative processes and reforms, to increase the efficiency and effectiveness of the system and the specifications are stated as PSOs and COs. She explained about the quality of the assessment process in a HEI depends on how well the examination system actually tests the PSOs and COs, quality of questions, extent of transparency in the system, extent of development-inducing feedback system, regularity in the conduct of examinations and declaration of results as well as regulatory mechanisms for prompt action on possible errors.

Quality and improvement in research

Prof. Dr. G. P. Jeyanthi delivered about “Quality and improvement in research” She insisted the faculty to undertake research projects from various funding agencies such as UGC, CSIR, DST, ICSSR,DRDO and UNDP, and encourages its faculty to organize and participate in seminars/workshops and conferences both at national and international levels. She described the infrastructural facilities for research are strengthened by mobilizing resources from government agencies and 118 sponsored research projects have been executed in the last five years. Impetus for innovation is provided through IPR workshops and research

conventions. Forty eight awards for innovations have been received and four patents have been published in the last five years.

SWAYAM and MOOC

Dr. G.Padmavathy talked on SWAYAM and MOOC. She emphasized the need for students enrolling in swayam and MOOC courses. Encouraging students and utilization of these courses by the students.

Student Support and Progression

Prof. Dr.N.S.Rohini gave the importance of “Student Support and Progression” She delivered the Facilitating mechanisms like guidance cell, placement cell, grievance redressal cell and welfare measures to support students which are Specially designed inputs for the needy students with learning difficulties. She explained about well-structured, organized guidance and counseling system in our institution. She highlighted the Sustainable good practices which effectively support the students for optimal progression and how Institutional provisions facilitate vertical movement of students from one level of education to the next higher level and/or towards gainful employment.

Governance, Leadership and Management

Prof. Dr. U. Jerinabi addressed on “Governance, Leadership and Management” She explained how the accounts of the Institute are audited internally by a Chartered Accountant appointed by the BoM and externally by the Auditor General, Government of India. She explained the importance of vibrant Internal Quality Assurance Cell (IQAC) which plays a crucial role in promoting and sustaining a culture of excellence on campus through quality assurance and enhancement strategies that adopts quality management strategies in all academic and administrative aspects. The institution has an Internal Quality Assurance Cell (IQAC) and adopts a participatory approach in managing its provisions.

Report on STUDENTS ORIENTATION 2017

The Student' Council co-ordinated the Students orientation programme 2017. As representatives of a diverse and eager student community, the Students' Council members welcomed the freshers and talked about quality of life and learning at this beautiful campus. Avinashilingam Institute prides itself on being an entirely women student running campus, where the administration provides with the chance to shape not just their years at the institution, but also explore a myriad of other opportunities for their future and for their career widening. Given this free reign, students at Avinashilingam University focuses mainly on women welfare and can experience traditions with customs, working for and pushing initiatives for self-development that can make a great impact over students, the institute and also the environment we are a part of. MS. S. Anuprabaa Students' Chairperson welcomed the fresher's. Dr.P.R. Krishnakumar, Chancellor addressed the gathering. Dr.P.Premavathy Vijayan, Vice Chancellor and Dr.S.Kowsalya, Registrar greeted the gathering. Deans of various faculty, Controller of Examination, oriented the students on various departments and activities , oppurtunities available for students.
