## About National Academic Depository (NAD) and DigiLocker

Digital India is a flagship programme of the Government of India with a vision to transform India into a digitally empowered society and knowledge economy. The vision of National Academic Depository (NAD) is born out of an initiative to provide an online store house of all academic awards such as Certificates, Diplomas, Degrees, Mark Cards, etc. duly digitised and lodged by academic institutions / boards /eligibility assessment bodies. NAD not only ensures easy access to and retrieval of an academic award but also validates and guarantees its authenticity and safe storage.
