Resolution: Dr.Padmavathy Dean Academic briefly explained the frameworks and syllabus in very well manner for the entire Annual Report for the Institution

She explained about the various Seminars, Conferences & Workshops organized together with IQAC to educate the faculty members in Higher Education Institutions

Major Outcomes of the open discussions

Expert Suggestions:

- Quality week effort was an impressive effort with National and International eminent Resource
- Blended Learning, AI Initiatives for learning skills are good
- Examination reforms can be concentrated more, should understand the latest Testing Technologies and Grading Technologies need upgrading more Automation i.e End to End Automation Integration should progress IQAC need to monitor
- Gender empowerment & Gender Neutrality especially in IDP and Socially Backward Women
- Institutional rule can be changed to accommodate the changing Gender Rules
- R&D Social Sciences are lagging behind so more interdisciplinary research could be promoted, Social should combine with Scientific aspects
- Significant Implementation of NEP
- Faculty empowerment programme: should encourage by giving incentives for faculties if they publish or get awards from other institutions to improve the quality culture of the institutions
- Success of the institution depends on the evaluation of both internal and external.
- Quality of publication is most important especially in Q1 Journals.
- Faculty rooms should be improved with small cabins for each faculty.
- Curriculum is Good LOCF and OBE.
- Lack in federal learning and teaching conduct some program in preparing online courses like Swayam and Mooc Courses. A Studio to help and prepare these online learning materials.

VC Madam Response to External Suggestions.

- We have conducted an IT-ICT audit and decided on verticals to maintain the website.
- To use full potential of IT-ICT design cell for end to end automation. We are still in preliminary stage need to improve.
- NEP conflict we understand that it gives a space to frame models that are suitable for students (Tamil & English are present) this is a work in progress we are tiring to bring in a balance between NEP and state requirements of education policy.

VC Inputs

- Look at the vision 2040 document and review what need to be done to achieve the milestone to indicate.
- R&D cell will prepare academic events calendar for all and spread over the entire academic year.
- Usage statistics of researgence software centralized data cell as a functional aspect of IQAC.
