

Avinashilingam Institute for Home Science and Higher Education for Women

Deemed to be University Estd. u/s 3 of UGC Act 1956, under Category A by MHRD

Re-accredited with 'A⁺⁺' Grade by NAAC.CCPA 3.66/4, Category I by UGC

Coimbatore 641043, Tamil Nadu, India

The School of Biosciences and Allied Healthcare Sciences in collaboration with

The Internal Quality Assurance Cell (IQAC)

Cordially invites you for the

Capacity Building Programme on

“Navigating the NIRF Landscape: Pathways to Higher Education Excellence”

Special Address by

Dr. U. Jerinabi

IQAC Coordinator

Avinashilingam Institute for Home Science and Higher Education for Women

Coimbatore

Convener

Dr. K. S. Santhy

Deputy Dean,

School of Biosciences

Avinashilingam Institute for Home Science and Higher Education for Women

Coimbatore

We request all faculty members of School of Biosciences

and Allied Healthcare Sciences to attend

Venue : Bioscience seminar hall

DATE: 29.08.2024

Audience: Biosciences Faculty Members

TIME: 2.30 PM

REPORT ON CAPACITY BUILDING PROGRAMME ON
“NAVIGATING THE NIRF LANDSCAPE: PATHWAYS TO HIGHER
EDUCATION EXCELLENCE”

On 29th August 2024, the School of Biosciences and Allied Healthcare Sciences at Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, organized a Capacity Building Programme on “Navigating the NIRF Landscape: Pathways to Higher Education Excellence.” The event, held in collaboration with the Internal Quality Assurance Cell (IQAC), took place in the Bioscience Seminar Hall at 2:30 PM. Faculty members of the School of Biosciences and Allied Healthcare Sciences attended the program, which aimed to deepen their understanding of the NIRF standards in advancing higher education excellence.

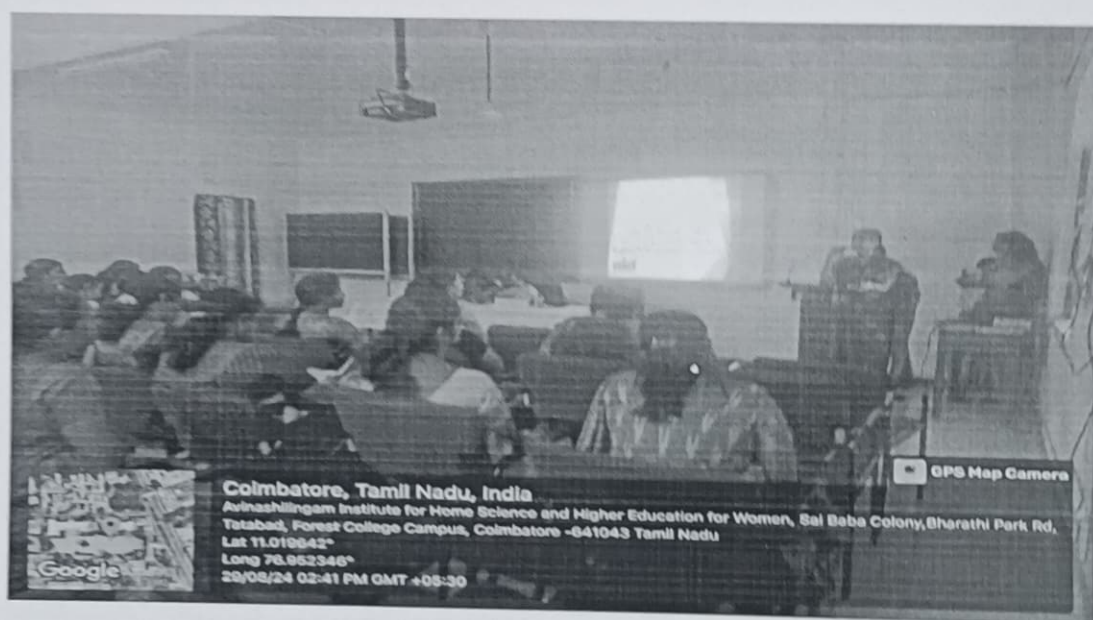

The program opened with a prayer by Ms. Revathi Unni K, Research Scholar from the Department of Zoology. Dr. K. S. Santhy, Deputy Dean of the School of Biosciences, delivered the welcome address, emphasizing the event's importance in enhancing institutional quality through the NIRF framework.

The special address was given by Dr. U. Jerinabi, IQAC Coordinator, who shared insights into effective strategies for meeting NIRF standards and improving institutional rankings. Her address underscored the importance of the NIRF framework in driving academic and operational growth. Following the address, faculty members engaged in a lively discussion, reflecting on the address and sharing ideas for enhancing the institute's engagement with NIRF standards.

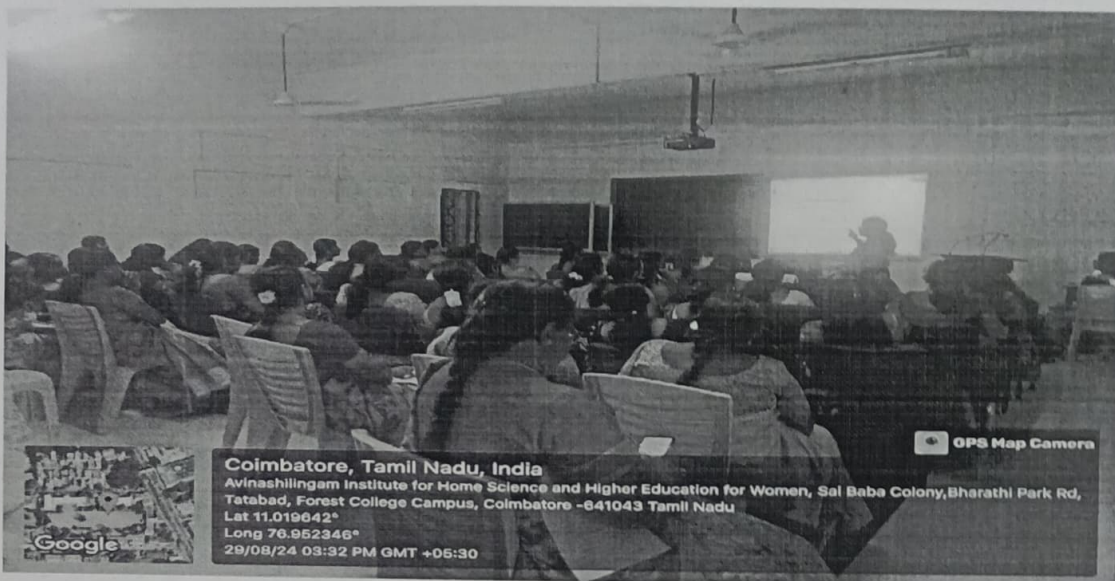

The session concluded with a vote of thanks by Dr. S. Sumathi, Professor, Department of Biochemistry, Biotechnology & Bioinformatics, who expressed appreciation for Dr. Jerinabi's valuable insights and the participants' involvement.

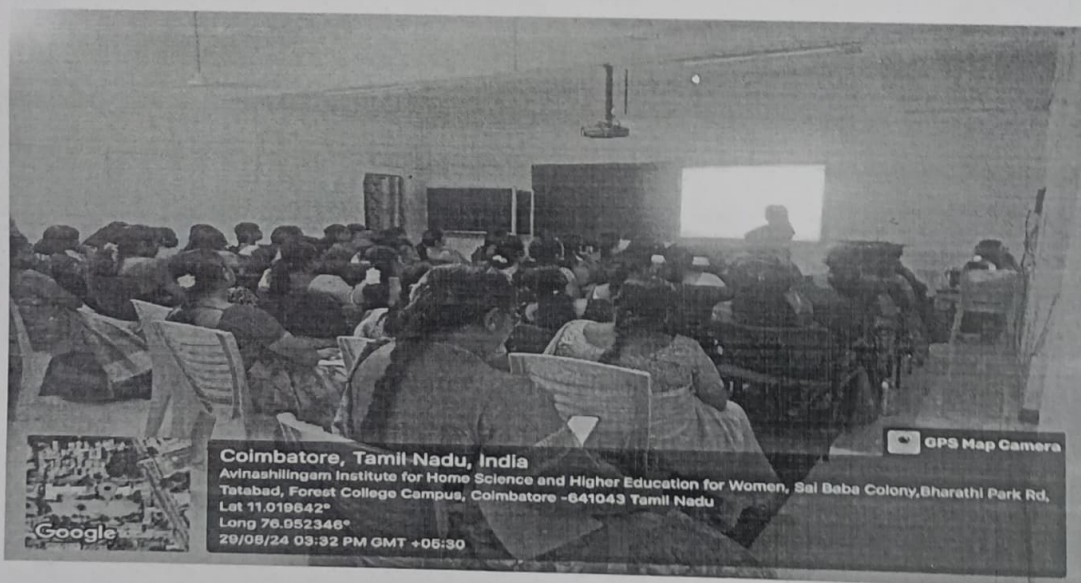

The program began with a heartfelt prayer song, sung by Revathi Unni K, a Research Scholar in the Department of Zoology.

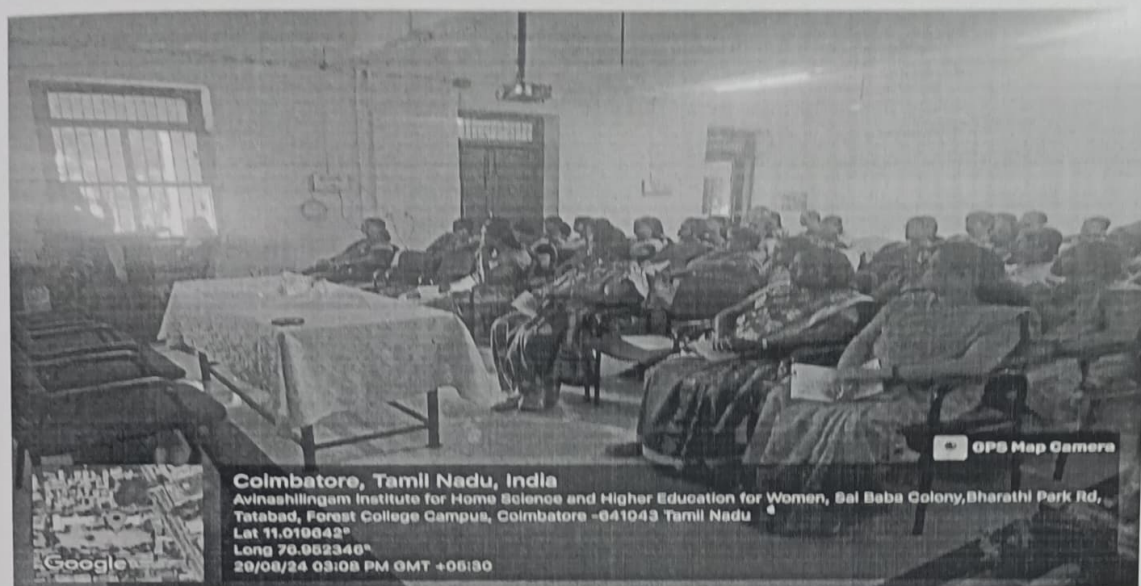

Dr. K.S. Santhy, Deputy Dean, School of Biosciences, and Professor of Zoology, welcomed the gathering.

Dr. U. Jerinabi, IQAC Coordinator, delivered the special address on "Navigating the NIRF Landscape: Pathways to Higher Education Excellence."

Following the special address, a discussion session was held with faculty members, where various aspects of the NIRF landscape and pathways to achieving excellence in higher education were explored.
