Participants: All teaching faculty from School of Engineering and School of Education

The awareness programme on NIRF rankings was conducted to create an awareness on the importance of rankings and the nuances of the NIRF assessment process, its criteria and the calculations leading to the ranking.

The programme started with the invocation of the almighty by the Co-chairperson Ms.Christa Joju. Dr.Judith Justin, convenor of the programme, welcomed the gathering. Dr.Jerinabi explained the NIRF ranking process and the five different criteria. The perception process also was clearly explained. The calculations obtained in each of the criteria for the three years 2020-2021, 2021-2022 and 2022-2023 for our institution were shown and the score and positions were demonstrated. The avenues of improvement were interpreted. The research criteria and IPR was the focus of improvement. Some clarifications were sought by the school of education faculty. The question session was interactive.

Dr.U.Jerinabi pointed out the avenues for improvement and how we can leverage to enhance our institutional performance. She motivated each and everyone to publish at least one paper in a year in order to get an improved ranking in 2025. The programme ended with a note of thanks by Dr.Vaijyanthi, HoD-School of Education.
