# **Avinashilingam Institute for Home Science and Higher Education for Women**

## ***Institute - A Profile***

**Administrative Block**

**“Your dream will not die, your plans will not fail, your destiny will not be aborted, the desire of your heart will be granted only if you believe in yourself.”**

**- Dr. T.S. Avinashilingam**

Sri Avinashilingam Home Science College for Women was established by the great patriot and educationist Dr. T.S. Avinashilingam under the auspices of the Avinashilingam Education Trust in 1957 with 45 students. The growth of the Institution has been carefully nurtured to its current heights by the world renowned educationist and nutritionist, former Chancellor of the Deemed to be University Dr. Rajammal P. Devadas. It is now the largest Institution in the country for imparting Home Science Education at all levels. It was one of the eight colleges on which autonomy was conferred by the University of Madras in June 1978

and the first of the women's colleges to get this distinction. Autonomy gave the college scope for academic freedom for innovations in teaching and research.

The Government of India declared Sri Avinashilingam Home Science College for Women and Sri Avinashilingam Teachers College for Women as a Deemed to be University under Section 3 of the UGC Act in June 1988. These Colleges have been renamed as Avinashilingam Institute for Home Science and Higher Education for Women and is marching towards the thirty seventh year as a Deemed to be University.

The Institution follows the educational ideals of Sri Ramakrishna, Holy Mother Sri Saradamani Devi, Swami Vivekananda and Mahatma Gandhi and upholds a life of purity, discipline and service. A temple dedicated to Sri Ramakrishna commands the campus. Daily prayer is an integral part of campus life. All the students and staff are expected to participate in the common prayers.

The Institute functions under eight schools, namely, Home Science, Physical Sciences & Computational Sciences, Biosciences, Arts & Social Sciences, Commerce & Management, Education, Allied and Healthcare Sciences and Engineering. Each school functions under the headship of a Dean.

The pattern of education has been fully semesterised. The academic year is divided into two semesters, each semester having a minimum of 90 teaching days. The semester pattern offers each student individual attention of the teacher and facilitates all-round development of the students. It calls for active participation of the students in the learning process.

Regular attendance is an important feature of the semester pattern. In all programmes, a student requires a minimum of 75 per cent attendance for both in theory and practicals to appear for the Comprehensive Semester Examinations. Examinations for the courses offered in a semester are conducted in the same semester to make learning more effective and to reduce burden on the students.

## **Objectives of the Institute**

- Provide opportunities for the all-round development of the students and excellence in higher education, research and extension in different disciplines – Home Science, Physical Sciences & Computational Sciences, Biosciences, Arts & Social Sciences, Commerce & Management, Education, Allied and Healthcare Sciences and Engineering upto the level of Ph.D.
- Inculcate ethical values, social and moral standards in all the disciplines of study
- Create awareness among women about their rights and status through adult and non-formal education
- Serve as a centre for national integration to bring together women from all parts of the country and develop an all-India perspective
- Disseminate the findings of research to the society in order to facilitate development through the community and social service programmes.

## General Information

### Library

*“Libraries are reservoirs of strength, grace and wit, remainders of order, calm and continuity, lakes of mental energy, neither warm nor cold, light nor dark. The pleasure they give is steady, unorgastic, reliable, deep and long-lasting”*

- **Germaine Greer**

The Institute comprises four libraries: the Central Library, located on Campus I; the School of Education Library, the School of Engineering Library and Guru Maharaj Library, which is located on Campus II. The Central Library is fully automated using **KOHA** and indigenously developed software and incorporates modern technologies to provide the right information at the right time. The well-furnished and illuminated atmosphere supports the students in successfully pursuing their academic and research activities.

A well-planned, spacious library building with a centralized air-conditioned reading hall has a total area of 19,765 sq. ft. and 450 seating capacity. This Library has a rich collection of 2,65,256 volumes of print resources, including books, journals, theses, back volumes and non-book materials. In addition, 5,17,191 electronic resources, which include 4,86,739 e-books (Proquest, EBSCO Academic Collection, Elsevier, Springer, PHI, Wiley and Pearson), 30,444 e-journals (subscription to IEEE, EBSCO BSE) and eight e-databases (Scopus, Web of Science, EPWRF ITS, Indiastat, J-Gate, ISID, MathSciNet and DELNET) are available from e-Shodhsindhu consortium and institution subscription. The Library subscribes to 404 print periodicals, including international and national journals, magazines, gratis and newspapers. The Institute is a member of the National Digital Library of India (NDLI); the

readers can access the NDLI after registering in the club and browse 107 million contents in 39 Indian languages, including the South Asia Archive and World e-Books Library.

A dynamic and efficient [website](https://avinuty.ac.in/library/home) (<https://avinuty.ac.in/library/home>) provides access to all its resources simultaneously. The subject gateway lets readers know the library resources available for specific subjects. The Library has introduced new services to augment research and learning. The Library subscribes to Grammarly, which enhances writing skills. Turnitin and Drillbit software are used to check for plagiarism. Implementation of RFID technology enables quick access to library resources and better security of library materials. Introducing the Self-service Kiosk allows the members to issue and return books by themselves. All the registered users are provided with a username and password with the help of INFLIBNET Access Management Federation (INFED) to access e-resources. The E-Resources Centre supports accessing online content from eShodhsindhu and subscription databases.

The well-equipped digital Library with 100 nodes in the central Library and libraries on the satellite campus help access the e-resources. The digitization process using D-Space software forms the institutional repository, containing rare books, theses, Newspaper clippings, faculty publications and question papers. These digitized materials are accessed through the intranet. Photocopying, scanning and printing facilities are also available.

Print Accessibility for the Print Disabled section is formed primarily for the visually

challenged with ramps, wheelchairs, assistive technologies, multimedia systems and Braille books. CCTV surveillance and fire detection alarms are available to protect the resources.

## Library Rules

- The Library is kept open on all days of the year except a few national holidays. The working hours are 09:00 a.m. - 08:00 p.m. on weekdays and 09:30 a.m. - 1:00 p.m. on Saturdays and Sundays.
- The circulation hour is on all weekdays, Monday to Friday- from 09:00 a.m. to 05:00 p.m.
- Strict silence should be observed.
- Using Cell phones is strictly prohibited.
- Valuables should not be left at the checkpoint. The Library is not responsible for any loss of personal belongings.
- Personal books and other materials are not allowed inside.
- Users are requested to scan their identity cards while entering and leaving.
- The privilege of borrowing books is restricted to members only.
- Identity cards are a must for borrowing books. These cards are not transferable.
- Number of books borrowed varies according to the category of the members.
- Failure to return the books on due dates will entail a fine of five rupees per book per day.
- If any book is lost or not returned in good condition, replacement of the same book is obligatory.

- No due certificates are provided after returning the book before the Semester Examination.
- The Institution considers theft, mutilation, or tampering with library materials, equipment, or property by users to be a serious offense.

### **Auditorium**

The Institute has three auditoriums with modern facilities. Thiruchitrambalam Auditorium and Swami Vivekananda Auditorium in Campus-I can accommodate 2000 and 500 members respectively. Apart from these, Campus I also has an open-stage Auditorium, High Tech Seminar Hall and a huge multi-purpose hall. The Ammai Appan Auditorium in Campus-II has a seating capacity of 3000 members.

### **Hostels**

There are six hostels, 'Kalaimagal Illam', 'Thirumagal Illam', 'Malaimagal Illam', 'Malarmagal Illam', 'Arpana Illam' and 'Poomagal Illam' with modern amenities and conveniences. There is a separate building to house the Post Graduate students and staff. Catering in the hostel is vegetarian. The mess is run on the dividing system. Campus II has separate hostel facilities.

### **Facilities**

- Solar water heater
- Telephone with STD facilities
- Medical facility with transport for emergencies
- Vegetarian Mess with dividing system
- Television
- Recreation
- Gym

### **Staff quarters**

The institution provides staff quarters for teaching and non-teaching staff.

### **Advanced Research Lab and Bharat Ratna Prof. C.N.R. Rao Research Centre**

Two state-of-the art Research Laboratories - Advanced Research Laboratory and Bharat Ratna Prof. C.N.R. Rao Research Centre have been established with the funding of DST under "Consolidation of University Research for Innovation and Excellence in Women Universities" (CURIE). Both these Research Centres house a wide array of highly sophisticated equipment like Field Emission Scanning Electron Microscope (FESEM), X-ray Diffractometer (XRD), Flow Cytometer, High Pressure Liquid Chromatography (HPLC), High Performance Thin Layer Chromatography (HPTLC), Nano Spray Dryer, 2D-gel Electrophoresis, Freeze Dryer, ICP OES, DLS analyzer, 3D - Optical Profilometer, Fourier Transform Infrared Spectrophotometer (FT-IR), Body Composition Analyzer, Thermo Gravimetric Analyser (TGA), Texture Analyzer, Plasma Chamber, Spectrophotometer with Color Lab, UV - Visible Spectrophotometers, Ellipsometer, and Contact Anglemeter.

The facilities of the Research centres help the research scholars and staff members of this institution to carry out advanced research activities in several disciplines spanning Home Science, Physical and Chemical Sciences, Biosciences and Health Sciences, as well as Engineering disciplines. The facilities available in both these high-technology centres are also extended to the

research scholars and staff members of other educational and research institutions, at a nominal cost, as an outsourcing activity.

### **National Cyber Defence Research Centre**

National Cyber Defence Research Centre of the Institute actively conducts several awareness programmes, workshops, seminars and allocates research projects pertaining to the cyber security area for the benefit of student community to handle cyber threats.

### **Centre for Machine Learning and Intelligence (Campus I)**

Centre for Machine Learning and Intelligence was established in the year 2019 with the funding sponsored by Department of Science and Technology, Govt. of India. The centre revolutionizes the higher end experience for students in the process of learning Artificial Intelligence by steering and involving them in various best practices and establish state of the art in the development and innovation of machine learning and intelligence approaches. The centre which comprises Artificial Intelligence Lab and AI Cloud centre supports and organizes various activities in collaborations with AI research groups from different fields in the Institute, promoting the interdisciplinary research.

### **Centre for Artificial Intelligence and Robotics (Campus II)**

The Centre for Artificial Intelligence and Robotics established in the year 2019 provides a conducive environment for acquiring expertise in AI and Robotics. It also facilitates the students with opportunities and expertise for developing knowledge in AI and

Robotics, implemented in early detection, diagnostics and decision making in healthcare services. It also offers a platform for research through design and development of innovative medical devices and robotics and makes them skilled personnel to address mechanisms involving AI.

### **Career Guidance & Placement Cell**

Career Guidance & Placement Cell acts as an interface that links campus to corporates. To enhance the employment opportunities for the job-seeking candidates, it facilitates opportunities for skill development with continuous training, orientation, workshops and seminars, motivational talk by eminent speakers, insights from industry expertise etc. To tap the entrepreneurial ideas, students are encouraged to present business proposals and are guided and facilitated to make their ideas a reality. Adequate learning resources are available to scale up the skills. The ultimate aim is to reach out to the unreachable, to benefit and contribute equally to the growth of any organization the students are associated with, and be a person of value to the society.

### **Entrepreneurship Development Cell**

Entrepreneurship Development Cell sponsored by AICTE, New Delhi promotes entrepreneurship and encourages the students to take up Entrepreneurship as an alternative career option. Entrepreneurship Awareness Camps sponsored by Entrepreneurship Development Institute of India (EDI, India), Gujarat are conducted to create awareness among students on Entrepreneurship and provide opportunities to meet successful entrepreneurs in different fields.

## **Avinashilingam Innovation and Incubation Acceleration Centre (AIAC)**

The vision of AIAC is Value addition through Entrepreneurial Skills for Self Development and Empowerment of Women. The value proposition of the centre is “Connect, Co-Work and Cash flow”. The aspiring students are trained through various stages such as idea generation, capacity building and proof of concept and further facilitated with seed funding and product launch.

### **Packaging Center**

**The Edible and Eco-Friendly Packaging Centre**, established in 2020, is committed to develop sustainable packaging solutions utilizing the local and native resources. Its mission is to promote a circular economy concept and reduce dependence on Single-Use Plastics. With a strong focus on food safety, functionality, and consumer satisfaction, the Centre has secured patents for several key innovations, including India's first “Edible Film-Making Machine” and two other published patent technologies.

The Centre is equipped with advanced instruments such as the **Edible and Biodegradable Film-Making Machine, Semi-Automatic Multimold Cup-Making Machine, Starch Extractor, GSM Tester, Pulping Machine, Dryer, 4D Edible Food and Ink Printer, Gas Permeability Tester, and Electric Blender**. These facilities support the design and development of packaging that blends taste, usability, and environmental responsibility.

The Centre actively contributes to environmental sustainability by supporting student-led research, fostering industry partnerships, promoting collaborative initiatives, and facilitating multidisciplinary innovation.

## **Academic & Administrative Development Centre (AADC)**

Academic & Administrative Development Centre (AADC) has been initiated by the institute in association with Association of Indian Universities (AIU) as a step towards training the human resources of higher education institutions. The specific objectives of the centre are:

- Facilitate learning through Performance Improvement Programmes for different groups (Administrators / Teaching Faculty / Non-Teaching staff / Research Scholars / Technical Personnel) towards progression based on their career stages.
- Enable continuous learning through rigorous need-based training sessions
- Sensitize stakeholders on recent developments in higher education system in the country and across the world.
- Equip academic / administrative/ technical / information personnel with the requisite ICT skills to handle their work effectively.
- Develop integrity and professional ethics among higher education personnel.
- Strengthen the human capital of the country with right attitude, skills, and knowledge.

## **SEDG's (Socio-Economically Disadvantaged Groups)**

The University has adopted the UGC “Guidelines to Provide Equitable Opportunity for Socio-Economically Disadvantaged Groups (SEDGs) in Higher Educational Institutions” (F.No.6-2/2022/Part 2, dated 02.01.2024), aligning with the vision of the National Education Policy (NEP) 2020. These guidelines support India's commitment to the Sustainable Development Goals (SDGs)—particularly SDG-4 (Quality Education), SDG-5 (Gender Equality), SDG-1 (No Poverty), and SDG-8 (Decent Work and Economic Growth)—by ensuring equitable access, safety, and academic support for all learners.

The Executive Council of the institution (Item No. 17, 133rd EC/2024/17) has formally approved and implemented these guidelines, strengthening our commitment to inclusive and equitable higher education

### **e-Campus**

e-governance in the Institute, automates the day to day administrative processes and streamlines the flow of information which ensures smooth functioning of the Institute. Its user friendly approach helps in greater operational control and better co-ordination of activities. It has easy maintainability, reliable technology support, continuous process improvements and unlimited scalability with high performance and enhanced communication. The solution is beneficial to the Management, Students, Faculty and the Parents.

### **e-Campus Modules**

1. Admission Management
2. Class Planner / Academic Setting / Attendance
3. Examination Management

4. Fee Management
5. Faculty Portal
6. Student Portal
7. Project Management
8. Hostel Management
9. Transport Management
10. Event Management
11. Document Management

### **Highlights**

- Secure role based access
- Multi-user and multi-campus and multi-syllabus compatibility
- Flexible deployment models
- Multiple browser support
- Highly secure architecture
- Easy to use and navigate
- Online fee payment integration
- Integration with RFID and Biometric attendance system
- Centralized database to retrieve information
- Customized report generation
- Export reports in various file formats

### **Internet Access**

An exclusive high speed internet centre is located in the campus to meet the growing network access demands. Both campuses also are WiFi enabled and have Broadband connectivity of the National Knowledge Network (NKN).

### **Alumni**

The Alumni Association comprises of students who have passed out from the Institute. Alumni are stationed in various parts of the country and abroad. Many hold

high posts as Principals, Deans, Professors and Training Officers and Researchers in government agencies and industry. The alumnae meet once a year to discuss the action programmes for the year. They participate effectively in the major events of the Institute.

### **Health Centre**

The Health Centre has a qualified Medical Officer who takes care of the students, teaching and non teaching staff and all the other workers in the campus. The centre has a separate consultation room for the Doctor and two other rooms with 10 beds for the students and staff.

### **Bank**

A branch of the Indian Bank operates on Campus for the convenience of the students and staff.

A 24x7 ATM is available inside the campus for exclusive access by the students and staff members of the institute.

Extension counter of Indian Bank is working on alternative working days in Campus-II.

### **Transport**

For Campus-II, transport facilities in 13 different routes are available for students and staff members covering the outskirts of Coimbatore.

### **Other Facilities**

A Bakery, Fruit stall, Cafeteria and Stationery cater to the students' day to day needs in Campus-I and II.

### **Smart Card**

A photographic identity card incorporating the students' roll number are issued to the students. The students should carry this card at all times and they may be required to produce the card for:

- Admission to functions
- Admission to examinations
- Access to library
- Travel and other concessions
- Receipt of original certificates after the completion of the course

**The students should safely preserve the identity cards for future requirements like receiving original degree certificates, mark sheets, duplicate mark sheets, transcripts, appearing for supplementary examinations, etc.**

The students roll number printed on the card must be quoted in all correspondence with the Institute.

### **Co-curricular Activities**

Students council, Associations of various departments and Planning Forum are active in arranging Co-curricular activities in the Institute.

### **National Service Scheme (NSS), National Cadet Corps (NCC) and Sports**

NSS, NCC and Sports are curricular components for the undergraduate students, with academic credit for theory, practicals, special camp in the work areas and special

activities. Attendance in Regular / Special activities / Camp is a requirement to appear for the theory examination in NSS, NCC and Sports.

### **Community and Social Service (CSS) / Community Engagement & Social Responsibility (CESR) / Adult Education (AE)**

CSS / CESR / AE are curricular requirement for PG, B.Ed. and M.Ed. students. They are expected to give two hours per week. The students will write a theory paper at the end of the second Semester. Attendance in CSS / CESR / AE is a requirement to appear for the theory examination.

### **Games**

Games class is compulsory for all first year Undergraduate students. Weekly one hour games class and attendance for the same is mandatory. Games class focus on student's health and fitness, creating awareness among the students to keep them fit and develop a competitive spirit to meet daily task and motivate them to participate in various professional sports. Approximately 300 students are coming in day order basis for one hour every day. The physical fitness profile of the students is assessed regularly which helps them to maintain their fitness.

### **Notice Board and Signage board**

Important messages relevant to the students are displayed in significant locations and departments.

### **Insurance Coverage for Students against the contingency of an accident**

1. Student Life cover and PTD due to accident	} 2 Lakh
2. Hospital expense cover due to accident	
3. Tuition fee cover & Hostel fee in the event of death of any one of parent due to accident	} 2 Lakhs
4. Parental life cover due to accident including PTD	
5. Out patient treatment for injuries are allowed upto ₹ 10,000 with an excess of ₹ 1,500 each child for each accidental claim	2 Lakh

### **Video Production Studio**

The Video Production Studio in our campus is a state-of-the-art facility used for content production of audio-visual media. It consists of a studio floor acoustically treated and fitted with studio lights. The studio also has an audio and video edit suite with high end Apple iMac machines for both video and audio editing. An audio mixer and condenser microphones are used for quality sound production. Video switchers used for multi-camera production is also available. The whole facility can be used both for academic as well as commercial purposes.
