

Report

Title of the Event: Korean Language Pitching Competition

Date: 7th January 2026

Time: 3:00 PM

Venue: ACIE Hall, Avinashilingam Institute, Coimbatore

The poster competition was conducted by the Avinashilingam Centre for International Education (ACIE) at the ACIE Hall of the Avinashilingam Institute. The event took place on January 7, 2026, at 3:00 p.m. It was organized in a well-planned and orderly manner, and all participants assembled on time. The theme of the competition was **“Korean Language Pitching Competition.”**

Clear guidelines were explained before the presentations began. The primary objective of the event was to raise awareness of learning the Korean language and to highlight its significance for global exposure and cultural connections. The competition successfully generated interest in international learning opportunities.

The posters were displayed and reviewed during the event. The evaluation process was conducted carefully and fairly, with entries assessed based on clarity, creativity, and relevance to the theme. The organizing team efficiently coordinated the event. **Three prize winners** were selected based on their performance. The winners were appreciated for their creativity and effort. Overall, the poster competition was meaningful, well-conducted, and successfully completed.

Event Highlight

The competition highlighted the global and career relevance of Korean. Participants created posters on career prospects, cultural influence, and cognitive benefits tied to Korean language proficiency. This platform supported students in expressing their ideas while promoting international education.

Student Engagement

Students actively participated in the event with great enthusiasm and interest. They demonstrated strong research skills, creativity, and clarity of thought through their poster presentations. The competition encouraged critical thinking and effective communication, as students explained global statistics, cultural trends such as K-pop and K-dramas, and professional opportunities linked to Korean language proficiency. Interactive discussions and attentive participation reflected students' growing curiosity toward foreign language learning and global exposure.

Conclusion

The competition was informative and engaging. It successfully motivated students to explore the Korean language and understand its global significance.

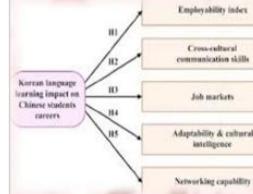

Knowledge of Korean: Your door way to wisdom

1. CAREER AND ACADEMIC OPPORTUNITIES

With the influx of Korean businesses and services, knowing Korean as an Indian will increase your economic prospects should you decide to invest in or deal with such companies.

2. Recent research report by South Korea's Ministry states there are roughly 2.5 million speakers in China, approximately 2 million in the United States, and about 800,000 in Japan. Learning Korean can connect you to 80 million people worldwide.

4. CULTURAL ACCESS:

Many Korean celebrities, singers, and groups, such as BTS, Wanna One, EXO, TWICE, SHINee, AOA, Blue Velvet, Big Bang, and Girls Generation, are quickly gaining popularity.

6. Korean Teaching Jobs in India

Korean companies also look for communication experts who can educate Korean to their local staff.
