The Avinashilingam Centre for International Education (ACIE) organized an insightful seminar on "Overseas Education, Employment & Entrepreneurship" for the final-year undergraduate students of Avinashilingam Institute for Home Science and Higher Education for Women on 30.09.2026 at the Seminar Hall, SF Programmes – Campus II, Coimbatore, under the initiative of Aham Foundation.

The event began with a prayer by the students, invoking blessings for a successful session, seeking blessings for the successful completion of the programme.

This was followed by the Welcome Address delivered by a Student Council Member, who extended a warm welcome to the dignitaries, faculty members, students, and the resource person. She also highlighted the importance of exploring international education and career opportunities in today's competitive environment.

The Presidential Address was delivered by Dr. S. S. Shanthakumari, Director, SF Programmes, Campus-II. In her address, she encouraged young women to broaden their career perspectives and move beyond traditional career choices. She motivated students to consider international exposure and entrepreneurship as valuable avenues for both personal development and professional advancement.

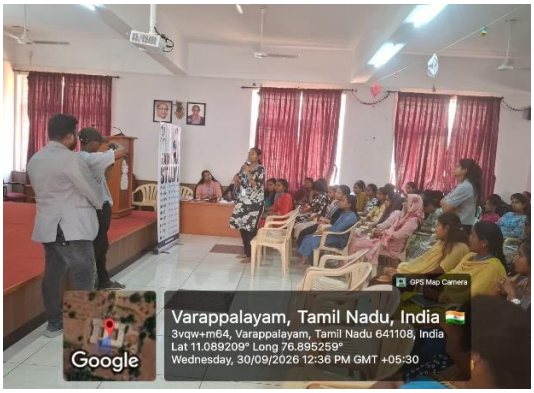

Following the Presidential Address, the guest speaker, **Mr. Manikandan Nagarajan, Founder and CEO of Aham Global Business Pvt. Ltd.,** was formally introduced to the gathering. A memento **was** presented to him as a token of appreciation and respect for his valuable presence and contribution to the event.

Mr. Manikandan Nagarajan delivered the Inaugural Address on the theme “Career Beyond Borders – Opportunity in Overseas Education, Employment, and Entrepreneurship.” He provided students with useful information about pursuing higher education in foreign countries and discussed the skills and competencies needed to succeed in the international employment sector.

He also explained the increasing relevance of entrepreneurship in the global economy and encouraged students to identify and make use of opportunities available beyond geographical boundaries. He highlighted the role of the Aham Foundation in supporting and guiding students towards international opportunities and promoting self-reliance. His interaction with the students was informative and motivating, encouraging them to develop a broader global perspective towards their future careers.

The Programme concluded with the Vote of Thanks, wherein sincere appreciation was expressed to the resource person, dignitaries, faculty members, and students for their valuable contributions and enthusiastic participation, which played a significant role in making the programme a success.

Overall, the session provided students with meaningful exposure to international education, overseas employment, global career opportunities, and entrepreneurship. The session encouraged the participants to think beyond conventional career options and develop the confidence, skills, and global mindset required to pursue their aspirations in an increasingly interconnected world.
