Workshop - Report

Research and Development Cell & Department of Mathematics organized a **Workshop for Research Scholars on Academic Writing** on 20th June 2022 at 10.45 am.

The Mistress of Ceremony for the program was **Miss. Dharani R.S**, Research Scholar. The event started off with a Prayer Song recited by **Miss. Poornima R, Research Scholar**. **Miss. Viveshini D**, Research scholar gave a brief introduction about the Honorable Guest of the day. **Dr. N. Balamani**, Head, Department of Mathematics welcomed the dignitaries for the workshop. **Dr. V. Bharathi Harishankar**, Vice Chancellor, gave the presidential address on the occasion of the Workshop and motivated all Scholars to do their Research meticulously and pointed out the importance of ethics while doing research.

The function was graced by the presence of **Dr. M. Lellis Thivagar**, Professor & Head, began the session with foundations and the impact of Nano Topology in Mathematical innovations. His presentation motivated the Research Scholar how to connect topology and other branches of mathematics by giving real life examples. He also explained how to select good papers with good impact factor and how to do quality research.

The lecture started around 10.45 am and ended at 2.00 pm. Participants had shown their gratitude for the amazing lecture and **Dr. K. Kirupa**, Assistant Professor, proposed a vote of thanks and expressed gratitude to the faculties of Research & Development Cell, Mathematics department and mathematics research scholars for their effort, excellent co-operation and involvement to take part in this function. Around 25 Research Scholars and 9 Staff members of the Mathematics Department participated and benefited from the address.

Student's Feedback: As per discussion with the students, the topic covered was appreciated by most of the students and requested to arrange such talk in the future.
