

REPORT OF SPECIAL LECTURE ON “FROM LAB BENCH TO PATIENT BEDSIDE: HOW AN IDEA GETS TRANSFORMED INTO A PRODUCT”

Special Lecture on “ From lab bench to patient bedside: how an idea gets transformed into a product was held in Avinashilingam Institute for Home Science and Higher Education for Women on 27th February 2023 from 11.00am to 12.30pm. The special lecture was started by evoking the God almighty. Welcome address was delivered by Dr. K.S. Santhy, Professor and Deputy Dean, School of Biosciences. The presidential address was conveyed by Prof. S.P. Thyagarajan sir, Chancellor of Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore. He addressed the gathering by speaking about the importance of product outcome oriented researches in every domain. Dr. A.Vijayalakshmi, Dean School of Biosciences rendered the greetings and after that an extensive introduction about the chief guest of the day Prof. Dr. Carani B Sanjeevi was given by Aparna G Kumar, Research scholar, Zoology Department.

The introduction session was followed by an enlightening and encouraging speech by, Prof. Dr. Carani B Sanjeevi, Professor at the Karolinska Institute (KI) in the Department of Medicine, Sweden. He initiated the session by introducing his prestigious medical institution to the research scholars gathered. He also explained about the facilities offered in their campus, experimental set ups, tie ups with various company expertise, funding agencies etc. He also compared the research systems of foreign countries with what is happening here in India. The participation of women candidates in research was also pointed out by him.

Research scholars of various departments interacted with the resource person. The resource person has given his valuable time for clarifying the doubts of scholars and he also motivated the gathering for the fruitful completion of the research work with ultimate passion and love. The session was so informative and useful for the research scholars.

Dr.V. Gayathri delivered the vote of thanks and the special lecture was successfully completed.
