ONE DAY WORKSHOP REPORT:

The department of civil engineering organized a one day workshop on 13th September 2022 in commemoration of concrete day associated with ULTRATECH CEMENTS LIMITED.

The resource person of the day was Mr. K.Jagadeesh , Assistant manager and Mr. Mahesh, senior officer ULTRATECH CEMENTSLIMITED,COIMBATORE.

The session began with the explanation of cement, aggregate, types of aggregate concrete and IS Codes. The entire morning session was knowledge enriching about the composites required for the preparation of the concrete combat.

The afternoon session was a practical session where students were divided into groups and given topics like Sieve analysis for coarse and fine aggregate , specific gravity of coarse and fine aggregate and normal consistency setting time for cement.

There was an active participation among the students in the practical session of the workshop.

We also got an opportunity to measure the consistency of fresh concrete by performing the concrete slump test. The workability of freshly made concrete was checked.

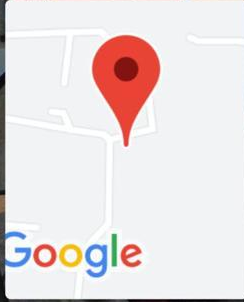

Overall the entire workshop session was an informative and knowledge enriching workshop.
