

Avinashilingam Institute for Home Science and Higher Education for Women

Deemed to be University Estd. u/s 3 of UGC Act 1956, Category A by MHRD (now MoE)

Re-accredited with A++ Grade by NAAC. CGPA 3.65/4, Category I by UGC

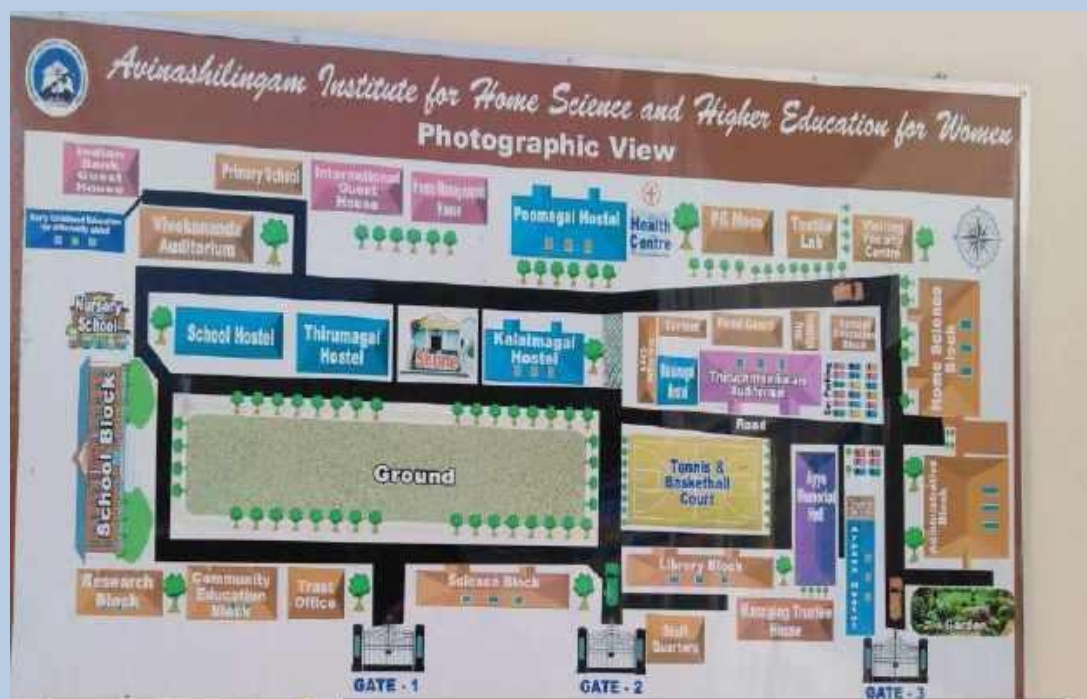

Coimbatore - 641 043, Tamil Nadu, India

INFRASTRUCTURE FOR GENERAL CAMPUS FACILITIES AND OVERALL AMBIENCE

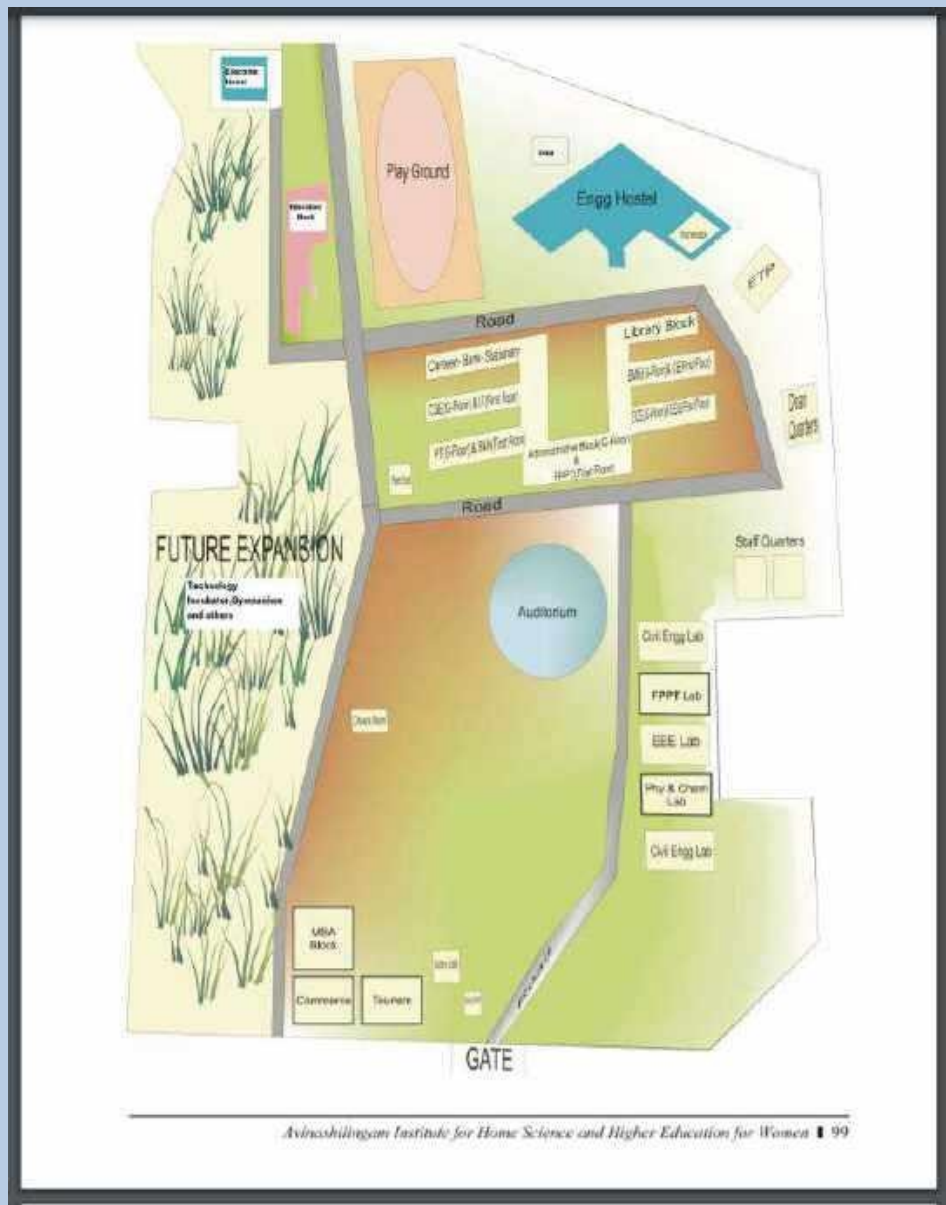

**Eco-friendly with Lush Green
Learning Environment**

The institution has main campus and satellite campus knotted up divine atmosphere with academic ambience as green environment with trees and lawns, open corridors and large playgrounds enthusing students and staff to learn, develop skills and nurture teaching learning process. Cleanliness of campus and the greenery of the campus with the saplings occupying 40 % in the main campus and 32% in the satellite campus spreading the positivity with uninterrupted power supply leading to physical, creative, peaceful and eco-friendly environment for learning at the campus. Garden, the orchards, bird feeders, Nakshatravana (a congregation of trees and plants reared in the name of the 27 stars) in both campuses and the green house make the environment greenery and eco-friendly.

CAMPUS AREA DETAILS

Name of the Campus	Area in acres
Main Campus	14.28
Satellite Campus	93.83

Signboards for the Entire Campus – Exit and Entry Points

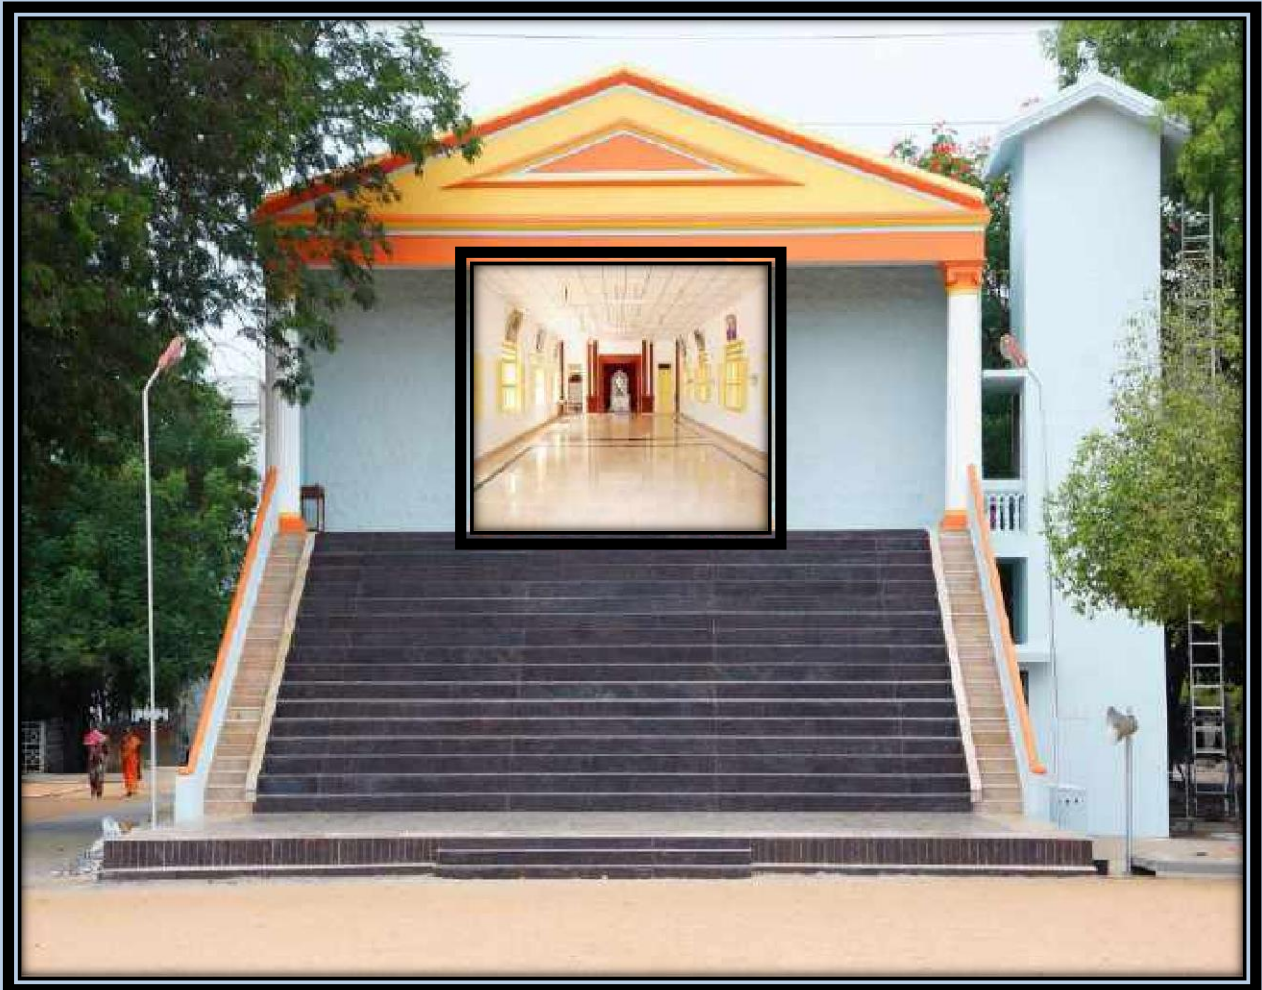

The institution has placed the signboards for the offices and blocks at the entry and exit points of the campus. The digital signage panels are provided at the block entrance for the students and staff to visualize the events and reminders of activities in the campus.

Eco-friendly and Green Campus

The Shrine

The Shrine empowers staff and students with spiritual invocation and serves as a temple.

The institution ensures eco-friendly campus apportioned between: Main Campus in urban setting of 14.28 acres of 40% greenery and Satellite Campus in rural setting of 93.83 acres of 32% greenery with adherence to curriculum requirements and norms by various statutory bodies. The green campus is evident with the trees and lawns leading to carbon-free air circulation and the initiatives of the institution are certified periodically.

GENERAL CAMPUS FACILITIES

Class Rooms and Offices

The buildings comprises blocks with classrooms, offices, centres, library and laboratories. All classrooms are well furnished and ventilated. Staff and students have the navigation and process their needs by accessing the requirements in the corresponding blocks

Computer Centre

The Computer centre was established in the year 1991, with financial grant from UGC, to augment the computing facility to the MCA and M.Sc. Computer Science students and to provide additional support to the computer related activities of the institution. The Computer centre extends support facilities to all the departments. The computer centre remains open to the staff and the students throughout the week.

Library

The Institution comprises of four different libraries (Campus-I and II) with 33,205 Sq. Ft. and 770 Seating Capacity. The Central Library has a centralized AC reading Hall with latest ICT & RFID technology.

Laboratories

The 86 well-equipped Undergraduate and Postgraduate laboratories, 45 computer laboratories across both the campus with high-end equipment for practical oriented courses are ensured by the institution that are well-stocked and equipped with the latest technology offering the most pertinent environment for application of knowledge by the students to become professionals.

Biometric Attendance System

Additional Facilities

Tailoring Unit

The relational needs for the staff and the student fraternity are provided as the additional facilities in the campus. The tailoring unit, printing press and the stores caters the staff and students need with on-campus income generating facilities.

Printing Press

The Saradalaya Press established in the year 1979 provides employment opportunities for the women in the Printing Technology. Adhering to the current needs, the press has modern computerised offset Printing Press facilities and publishes journals, newsletters, research highlights and other publications. The press is also being utilized as a Training Laboratory for B.E. Printing Technology students.

Stationery / Stores and Reprographic Centre

To cater to the students reprography needs, institution has an in house stationery store that offers photocopying and stationery facilities for the staffs and students.
