STRATEGIC ATTRIBUTES ACHIEVING GREAT INTELLECTUAL ENDEAVOURS...

Higher education sector in India is experiencing a new wave of institution building and excellence in the areas of education, research and capacity building. Keeping the future challenges and emerging opportunities globally, the academic programs at Avinashilingam Institute both at under graduation and post-graduation levels are designed such that the subject knowledge is enriched with latest updates and the learning domains of Cognitive, Affective and Psychomotor are energized to transform the brain's architecture in creating individuals who are future-ready. Within each domain are multiple levels of learning that progress from more basic learning to deeper-level learning.

The students need to solve problems, communicate effectively, acquire information processing skills, think creatively and innovate. The empowered curriculum facilitates to apply knowledge, critically evaluate, empirically investigate, exercise personal judgment and provide ethically, socially, morally acceptable solutions. The Curriculum of the Institute includes Core Theory Courses, Core Courses with Practicals, Core Practical Courses Generic Elective courses, Inter disciplinary

courses(IDC), Multi-disciplinary courses(MDC), Value added Courses, Certificate courses, Co-Curricular courses, Discipline specific electives, Skill based Courses, Self-study, Open book Assessment, On line tests, Internships, Mini Project, Field Visits, Yoga, MOOC component, Community Social Service, National Cadet Corps, National Service Scheme and Sports.
