#### About Your *GRE*® Score Report

Score Reporting Policies

With the ScoreSelect® option, you can decide which test scores to send to the institutions you designate. There are three options to choose

- Most Recent option Send your scores from your most recent test administration
  All option Send your scores from all administrations in the last five years
  Any option Send your scores from one OR as many test administrations in the last five years (this option is not available on test
  day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entiriety. Institution will receive acces reports that show only the accress that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the CREP information Bulletin for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

- You must retain this score card for future reference and records.

- The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- MAT is administered in five sections-Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Indian & Global Environment-each section testing a different ability relevant for management education.
- All MAT administrations necessarily have different questions. Thus one administration may be slightly more difficult or less difficult than another. Scaling has been used to take care of these differences.
- The scaled scores reported are standardised scores for respective sections. These scores are reported on a scale of 0 to 100. Extreme scores (below 15 or above 85) are rare.
- The percentile below column indicates the percentage of candidates in the test who scored below that of the candidate in the section.
- The Composite score is an overall scaled score based on the first four sections of MAT. This is reported on a scale of 199 to 801.
- The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's. The composite score has a validity period of one year.
- 8. All scores and percentile below figures are reported after rounding off to the nearest whole number.
- Personal data is as reported by the candidate.
- 10. The AIMA has taken due care while uploading the Score Card. However, in case of any inadvertent error, the AIMA reserves the right to rectify the same at a later stage.
- 11. Normalised scores across multi session papers are based on the relative performance of all those who appeared for the examination. The raw marks obtained are transformed into Normalised Score. - 1. The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- 2. MAT is administered in five sections Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Economic & Business Environment each section testing a different ability relevant for management education.
- 3. All MAT administrations necessarily have different questions. Thus, one administration may be slightly more difficult or less difficult than another. Normalization and Scaling have been used to take care of these differences.
- 4. Normalized scores across multi session papers are based on the relative performance of all those who appeared for the test. The raw marks obtained are transformed into Normalized Score. Normalized scores are further scaled.
- 5. The scaled scores reported are standardized scores for respective sections. These scores are reported on a scale of 0 to 100.
- 6. The percentile below column indicates the percentage of candidates in the test who scored below that of the candidate in the section.
- 7. The Composite score is an overall scaled score based on all five sections of MAT. This is reported on a scale of 200 to 800.
- 8. The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's.
- 9. The MAT Score has a validity period of one year.
- 10. Personal data is as reported by the candidate.
- 11. The AIMA has taken due care while uploading the MAT Score. However, in case of any inadvertent error, the AIMA reserves the right to rectify the same at a later stage.

- The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- MAT is administered in five sections-Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Indian & Global Environment-each section testing a different ability relevant for management education.
- 3. All MAT administrations necessarily have different questions. Thus one administration may be slightly more difficult or less difficult than another. Scaling has been used to take care of these differences.
- The scaled scores reported are standardised scores for respective sections. These scores are reported on a scale of 0 to 100. Extreme scores (below 15 or above 85) are rare.
- 5. The percentile below column indicates the percentage of candidates in the test who scored below that of the candidate in the section.
- 6. The Composite score is an overall scaled score based on the first four sections of MAT. This is reported on a scale of 199 to 801.
- The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's. The composite score has a validity period of one year.
- All scores and percentile below figures are reported after rounding off to the nearest whole number.
- 9. Personal data is as reported by the candidate.
- 10. The AIMA has taken due care while uploading the Score Card. However, in case of any inadvertent error, the AIMA reserves the right to rectify the same at a later stage.
- 11. Normalised scores across multi session papers are based on the relative performance of all those who appeared for the examination. The raw marks obtained are transformed into Normalised Score. For detailed procedure on Normalised Score, please visit website <a href="https://resources.aima.in/event-uploaded-file/mat-score-and-its-interpretation.pdf">https://resources.aima.in/event-uploaded-file/mat-score-and-its-interpretation.pdf</a>

- Score card to be downloaded from AIMA website only. Score cards will NOT be sent by post or email.
- You must retain this score card for future reference and records.

- 1. The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- 2. MAT is administered in five sections Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Economic & Business Environment each section testing a different ability relevant for management education.
- 3. All MAT administrations necessarily have different questions. Thus, one administration may be slightly more difficult or less difficult than another. Normalization and Scaling have been used to take care of these differences.
- 4. Normalized scores across multi session papers are based on the relative performance of all those who appeared for the test. The raw marks obtained are transformed into Normalized Score. Normalized scores are further scaled.
- 5. The scaled scores reported are standardized scores for respective sections. These scores are reported on a scale of 0 to 100.
- 6. The percentile below column indicates the percentage of candidates in the test who scored below that of the candidate in the section.
- $7. \quad \text{The Composite score is an overall scaled score based on all five sections of MAT. This is reported on a scale of 200 to 800.}$
- 8. The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's.
- 9. The MAT Score has a validity period of one year.
- 10. Personal data is as reported by the candidate.
- 11. The AIMA has taken due care while uploading the MAT Score. However, in case of any inadvertent error, the AIMA reserves the right to rectify the same at a later stage.
