Kind attention to: NAAC / IQAC Coordinators

Dear Sir / Madam,

Sub.: Submission of Quotation for the conduct of Green Audits for NAAC Accreditation purpose – Reg.

Greetings from Nature Science Foundation (NSF), Coimbatore, Tamil Nadu!!

Nature Science Foundation is the ISO 9001:2015, 14001:2015 & 50001:2018 Certified Organization and ISO/IEC 17020:2012 Accredited Type 'A' Inspection Body (Reg. No. IB 121) by National Accreditation Board for Certification Bodies (NABCB), Quality Council of India, An Autonomous body under Ministry of Commerce & Industry. NSF offers green audit inspection and certification services to industries, educational institutions and public sectors to maintain eco-friendly sustainability in the Organization.

Scope of Services:

NSF conducts Green, Environment, Energy, Waste Management, Soil and Water, Air quality and Hygiene audits in line with the National Building Code (Part 11 – Approach to Sustainability) as per the advisory of NAAC and guidelines of NABCB.

Process:

1. After receiving the work order from your end, NSF will send the datasheet to the concern and clarify the doubts on the same.
2. NSF will use their own instruments like Digital Clamp (Volt), O₂, CO₂, Lux, Noise, pH, TDS and GPS meters during the onsite inspection to check the energy consumption, quality of air, water and soil.
3. Organization will keep ready all documents, records, log books, register, data and etc., for inspection.
4. Audit Team Leader along with Lead Auditors / Technical Experts will visit the Organization for performing audits which involves the following activities

- ✓ Opening Meeting
- ✓ Presentation by the Client
- ✓ Campus visit to inspect the buildings, vegetation, car parking, pedestrian path, facilities for disability, renewable & non-renewable resources, HVAC system, waste and water management activities, etc.,
- ✓ Inspection to major departments / divisions of the Organization to check the facilities made available to maintain sustainability.
- ✓ Verification of documents, records, log books, registers, data, etc., Preparation of draft report by the audit team.
- ✓ Closing meeting with feedback/observations.
- ✓ Day briefing in line with meeting and not meeting the requirements.

5. After the conduct of audits, report and certificate will be submitted to the Client.

Time line:

The whole process will be completed within one week, but it depends on the preparedness and response to the audit team by the Organization.

Logistic Arrangements:

Travel expenses from Coimbatore to the inspection site by Air / Train depending upon the distance, local hospitality (Guest house / hotel) and local transport to be arranged by the Client.

Safety Measures:

NSF Audit Team carry the 'Personal Protective Equipment' considering the safety of Energy Auditors to access the electrical appliances and power control room. It is further your responsibility to provide a safe working environment during inspection to the Auditors.
