OBJECTIVES OF THE WORKSHOP

A “One-Day Hands on Training Program on End Note” was organized by **Research and Development cell** on 19th March 2024 for Fresher Research scholars January 2024 batch of our institution. The venue of the event was Gallery of the institution. The Resource person for the workshop was **Ms.J.Geetha, Information scientist** who spoke about the Need for ENDNOTE, How to Install the software, Working with online version of the software, To collect the downloaded references into End Note by using import option in the software and the various formats of references from databases and publishers. The talk also emphasized on the methodology to quote the references from End Note into research article or dissertation in word, to export (share) the references, to add attachments to each references, finding out duplicate references. After the session the resource person clarified the doubts of the participants patiently. The participants expressed that the training was informative and useful. The session concluded with the vote of thanks.
