Student Induction Programme
2023 - 2024
Student Council

The Student Council plays an integral role in representing the interests of all the students and helps in fostering a student-friendly environment. The Council works in unison to bridge the gap between the authorities, teachers, and students, to share ideas, interests and concerns of the student community.

Based on Lyndoch Committee's recommendation, the Student Council is an elected body of members, elected by the students representing all the schools and functions actively under the coordination of the Dean, Student Affairs and Staff Advisors. The Student Council acts as an umbrella body for the smooth functioning of 15 clubs through which students portray their talents. The Council helps students by taking their needs to the administrators like their request to conduct TNPSC coaching, organizing field trips and the like.

Students are encouraged to make use of the services of CARE for their psychological well-being and Fitness Centre for their physical well-being. Information about freeships and scholarships is also given. They ensure the participation of students in Career Guidance and Placement Cell and also towards contribution to the University Magazine. The Council works for the brand enhancement of the campus and to create an environment which is a rewarding experience for the student community.
