## Gandhiji's Message

- ★ The truth is that God is the force. He is the essence of life. He is pure. He is eternal. He is the Master. He is the Guide. He is all to all.
- ★ The end of all education should surely be service and if a student gets an opportunity of rendering service, even while he is studying, he should consider it as a rare opportunity.
- ★ Silence is a part of the spiritual discipline. See God through service of humanity for, He is neither in Heaven nor down below, but in everyone.
- ★ If our body serves, but the mind is absent, our service can bear no fruit at all. There can be now self-indulgence in service.
- ★ God Himself seeks for his seat the heart of Him who serves his fellowmen and therefore his name tops the list of those who serve God.
- ★ Education is of no value which does not develop the character of boys and girls and which does not evoke in them passion for service, for without that passion, all talk of freedom is moon-shine. Real education consists in drawing the best out of oneself.
- ★ By education, we mean the all round drawing out of the best in child and man in mind, body and spirit.
